

Model #7635402012/7635402053
WET LOCATION

Please read and understand this entire manual before attempting to assemble, operate, or install the product.

WARNING

- Consult a qualified electrician if you are not certain about the installation process. Always install wiring connections in accordance with the local code, ordinances, and the National Electric Code.
- Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- Do not attempt to install this product while it is plugged in.
- Do not connect this light fixture to a dimmer switch or timer.
- This light fixture is designed to fit standard junction boxes as defined by the National Electrical Code.
