

Volkswagen ID.3

Price and specification guide

Effective from 7.9.2021

Another icon in the making

After the Beetle and Golf, the ID.3 starts the next big chapter in the history of the Volkswagen brand – an era of emission free mobility.

The ID.3 offers desirable interior and exterior styling, achieves up to 340 miles¹ and includes exclusive highlights through the following features:

- 145 PS with a 0-62 mph of 9.6 seconds
- 150 PS with a 0-62 mph of 8.9 seconds
- 204 PS with a 0-62 mph of 7.3 seconds
- Exclusive design – net-Carbon neutral production
- Fast charging – up to 125 kW DC and 11 kW AC on 3-phase and 7.2 kW AC on 1-phase
- Industry first – ID.Light with Natural voice control
- NCAP 5 Star rating with front centre airbag as standard

¹ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

1 Net to energy amount.

2 Figures for the Volkswagen ID.3 battery electric vehicle. Fuel consumption for battery electric vehicles is N/A and CO₂ emissions are zero while driving. Battery electric vehicles require electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 7.9.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see [www.volkswagen.co.uk/need-help/wltp](#) or consult your authorised Volkswagen retailer.

3 For full details of ‘First year rate’ VED (Vehicle Excise Duty), delivery to retailer, number plates and vehicle first registration fee included in the recommended ‘On the road’ retail price, [please click here](#).

4 A £2,500 Plug-In Vehicle Grant is currently offered by the Office for Zero Emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of vehicles which can travel a defined distance with zero emissions. The e-up!, e-Golf, ID.3 and ID.4 currently qualify for the grant where the RRP is less than £35,000. Grant eligibility is based on the Recommended Retail Price (RRP) including number plates, VED and VAT, delivery charges, administration fees and selected options affecting battery capacity, drive train configuration or maximum net power. No grant is available for vehicles costing £35,000 RRP or more. Please consult your Volkswagen retailer to confirm eligibility based on your selected configuration. Your Volkswagen retailer will submit the details of your order online in order to claim the grant funding, if applicable. The grant has already been deducted from the ‘Recommended on The Road’ prices shown and pricing is subject to change in the event that options are added which increase the price to £35,000 or more, or in the event of change to the grant scheme. The OZEV grants are subject to full T&Cs, available at [www.volkswagen.co.uk/electric/should-you-go-electric/cost-savings/government-grant](#), and eligibility criteria. Vehicle eligibility and grant figure correct as at May 2021. UK sales only (excludes Channels Islands and Isle of Man). Grant scheme may be withdrawn and eligibility/amounts may change at any time without prior notice. To find out more contact your Volkswagen retailer [www.volkswagen.co.uk/find-a-retailer](#).

5 P11D value = Total recommended retail price + delivery to retailer £509.17, + number plates £20, + VAT £105.83 (calculated by reference to total of delivery to retailer + number plates), not including the automatic ‘PIVG’ deduction. P11D value is based on standard specification model with no factory-fitted options or other accessories.

6 The ABI insurance group is the recommended insurance rating set by the Association of British Insurers. Please note that insurance group ratings are purely advisory. They are used by insurers (ABI members and Lloyd’s syndicates) as one of the factors in calculating premiums. Insurers are not required to follow the advisory group ratings and they may depart from them if they so wish.

‡ This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at [www.volkswagen.co.uk/need-help/wltp](#).

RDE2 refers to Real Driving Emissions Step 2.

● Standard equipment ○ Optional equipment – Not available. Factory-fitted options are subject to availability and extended delivery.

*Volkswagen UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation).
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.*

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 7 SEPTEMBER 2021.

ID.3 Pure Performance

45 kWh battery
110 kW/150 PS

Fully electric

- Electric range up to 216 miles (348 km) WLTP
- Acceleration 0-62 mph (0-100 km/h) 8.9 seconds
- Charging time
 - AC 1-phase 7.2 kW 0%-100% 7 hours 30 minutes
 - AC 3-phase 11 kW 0%-100% 7 hours 30 minutes
 - DC3 110 kW 5%-80% 30 minutes
- Electric consumption according to WLTP in kWh/100 km: combined 14.9-15.1
- CO₂ emissions: 0 g/km
- Efficiency class: A +
- Net battery energy capacity 45 kWh
- Battery heating and cooling
- 110 kW/150 PS power
- Top speed 99 mph (160 km/h) – where the law permits

ID.3 Pro

58 kWh battery
107 kW/145 PS

Fully electric

- Electric range up to 264 miles (425 km) WLTP
- Acceleration 0-62 mph (0-100 km/h) 9.6 seconds
- Charging time
 - AC 1-phase 7.2 kW 0%-100% 9 hours 30 minutes
 - AC 3-phase 11 kW 0%-100% 6 hours 15 minutes
 - DC3 120 kW 5%-80% 35 minutes
- Electric consumption according to WLTP in kWh/100 km: combined 15.7-15.5
- CO₂ emissions: 0 g/km
- Efficiency class: A +
- Net battery energy capacity 58 kWh
- Battery heating and cooling
- 107 kW/145 PS power
- Top speed 99 mph (160 km/h) – where the law permits

ID.3 Pro Performance

58 kWh battery
150 kW/204 PS

Fully electric

- Electric range up to 264 miles (425 km) WLTP
- Acceleration 0-62 mph (0-100 km/h) 7.3 seconds
- Charging time
 - AC 1-phase 7.2 kW 0%-100% 9 hours 30 minutes
 - AC 3-phase 11 kW 0%-100% 6 hours 15 minutes
 - DC3 120 kW 5%-80% 35 minutes
- Electric consumption according to WLTP in kWh/100 km: combined 15.8-15.5
- CO₂ emissions: 0 g/km
- Efficiency class: A +
- Net battery energy capacity 58 kWh
- Battery heating and cooling
- 150 kW/204 PS power
- Top speed 99 mph (160 km/h) – where the law permits

ID.3 Pro S

77 kWh battery
150 kW/204 PS

Fully electric

- Electric range up to 340 miles (548 km) WLTP
- Acceleration 0-62 mph (0-100 km/h) 7.9 seconds
- Charging time
 - AC 1-phase 7.2 kW 0%-100% circa 13 hours
 - AC 3-phase 11 kW 0%-100% 7 hours 30 minutes
 - DC3 125 kW 5%-80% 38 minutes
- Electric consumption according to WLTP in kWh/100 km: combined 16.2
- CO₂ emissions: 0 g/km
- Efficiency class: A +
- Net battery energy capacity 77 kWh
- Battery heating and cooling
- 150 kW/204 PS power
- Top speed 99 mph (160 km/h) – where the law permits

ID.3 Life Standard equipment

Wheels and suspension

- Tool kit and tyre mobility kit (not Tour models)
- 7½J x 18" Aero steel wheels with 215/55 R18 R18 tyres and full size wheel trims

BEV specific

- Charging cable Mode 3 Type 2, 32 A (6 metres)
- Exterior e-sound

Exterior

- All-LED headlights with reflector technology
- Black roof
- Body-coloured bumpers and door handles
- Body-coloured door mirrors with integrated indicators
- LED daytime running lights, which perform the indicator function
- LED rear tail lights

Interior

- Basic seats in 'Fragment' design cloth
- Centre console and armrest integrated into the front seats
- Leather multifunction steering wheel

Infotainment

- Ambient lighting with 10 colour options
- 'App-Connect' with Wireless connection¹ for Apple CarPlay and Android Auto
- Digital dashboard
- Digital radio DAB+
- ID.Light
- Natural voice control
- Wireless smartphone charging

Connectivity

- Car2X – intelligent vehicle networking
- Security and Service
- We Connect ID. app^{2,3}

Services

- Free WeConnect Start for the first 3 years
- Mobility guarantee in case of car breakdown (3 years included)
- Special WeCharge conditions for ID.3 customers within the first 3 years

Safety and Security

- Anti-theft alarm with interior protection, deactivation via infotainment screen
- Centre airbag
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Driver's and front passenger's curtain and side impact airbag system
- Forward collision warning and extended and proactive pedestrian protection

Comfort and Convenience

- 1Zone Climatronic air conditioning system
- Electric windows, front and rear
- Heated rear window
- Keyless start

Driver's Assistance

- Adaptive Cruise Control (ACC), including Front Assist, radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter
- Driver Alert system, fatigue detection
- Electronic parking brake – with auto hold function
- Lane Assist
- Parking sensors, front and rear
- Power-assisted steering, speed-sensitive
- Remote tailgate unlocking, via key fob

Comfort pack:

- Automatic dimming interior rear-view mirror
- Electrically heated, adjustable and foldable door mirrors with projection light, including automatic dimming function on driver's side, door mirror puddle lights and reverse activated kerb-view adjustment on passenger's side
- Front centre console high
- Heated front seats and steering wheel
- Rain sensor
- 2 x USB-C connection, rear

Infotainment pack:

- Discover Navigation Pro capacitive touch-screen navigation infotainment system with 10 inch display

¹ 'App-Connect' with Wireless connection may require a software update in Q1 2021 to be enabled.

² To use the free We Connect app you will need a smartphone with iOS or Android operating system and a SIM-card with a data option. Depending on your mobile tariff, sending and receiving data online may incur additional charges (e.g. roaming charges), particularly if you are using We Connect abroad. For more information on We Connect services, go to www.volkswagen.co.uk/myvolkswagen or contact your Volkswagen retailer.

³ We Connect services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk/myvolkswagen for more information. The use of We Connect entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. Information on the duration of We Connect services can be obtained once a user account has been registered on the myVolkswagen web portal.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Charging We Charge

Taking the hassle out of charging. From £0 per month, We Charge connects you with charging stations everywhere using the We Connect ID. App and offers exclusive prices for Volkswagen ID. customers. Find out how We Charge makes e-fuelling easier by visiting www.volkswagen.co.uk/electric/research/charging-and-range/we-charge

- Find and use over 150,000 public charge points
- Charge across Europe with just a charging card
- Find the right We Charge plan to suit you
- Exclusive prices for the IONITY high-speed charging network

We Charge finds charging stations near you, helps you with route planning and allows you to charge at over 150,000 public charge points across Europe with your charging card. These include IONITY's high-speed charging stations along major highways – easy to use with We Charge.

Access to over 150,000 charging points in Europe.

IONITY

We Charge gives you instant access to the 400 Rapid chargers across Europe.

Elli is a provider for energy and charging solutions. It makes all benefits of the energy transition accessible for all – easy and effortless. As part of the Volkswagen group, Elli will be providing the Volkswagen ID. Charger to support all your home and business charging requirements – available in the coming months.

ID. Charger

ID. Charger Pro

Available in the coming months

- Available with 4.5 metre cable or 7.5 metre cable¹
- Billing grade meter
- Charging performance – up to 7.2 kW (1-phase)/11 kW (3-phase)
- Dynamic load management (Blackout Protection)
- EEBUS communication for energy management
- Integrated DC-fault current sensor for FI Type A
- Remote access via Volkswagen We Connect app
- Remote software updates
- Secure and stable LTE mobile communication¹
- Safe data transfer (using the latest standard) (OCCP 2.0)
- Safe access control with RFID
- Wi-Fi/ethernet communication via LTE/4G upfront without being dependent on the home network

¹ Optional at additional cost.

Pod Point

The intelligent way to charge your BEV

We've teamed up with one of the UK's largest charge point providers, Pod Point, to get you out on the road in double-quick time.

Their easy, streamlined approach, which has already benefited over 70,000 UK electric vehicle owners, is broken down into simple stages.

So, why use Pod Point?

Their Solo Home Charger is fast, safe and smart.

- Charge up to 10x faster than a 3-pin plug
- Over-the-air software updates (via Wi-Fi) can unlock new features
- Auto Power Balancing lets your BEV charge in harmony with your home
- Pair with the Pod Point App to track charging costs and energy usage
- Free three-year on-site warranty included
- Professional, friendly and punctual installation service
- 4.7/5 customer satisfaction rating
- Charge at 3,000+ public bays on the Pod Point Network and see your activity in the Pod Point App, alongside your home charging sessions.

For more information, please phone **020 7247 4114** or visit **www.pod-point.com**

Upholstery

01 Standard seats in 'Fragment' design cloth with Platinum Grey/Soul Black interior

Standard interior
XX | Platinum Grey/Soul Black – Standard on Life models

02 Style seats in 'Flow' design cloth with Platinum Grey/Dusty Grey interior

Optional interior 'Style' and 'Style Plus' packs
XF | Platinum Grey/Dusty Grey seats – Black steering wheel/control unit

Accessories packs

Style pack

01 Mirror caps – High-gloss black (for vehicles without Side Assist)
These high-gloss black mirrors add a finishing touch, which creates a striking contrast to the exterior look. Available for City, Life, Family and Style models.

02 LED exterior mirror turn signal (animated, dark tinted)
Let others know where you are going with door mirrors that feature integrated LED dynamic turn signal indicators complete with sporty darkened lenses. They will also perfectly complement the rear LED tail lights to complete a striking look.

Travel pack

03 Compact III bicycle carrier – Holds up to 3 bikes, allows boot access with foot switch

This clever carrier uses a super-simple quick release system to fit to your towing hitch, enabling you to transport three bicycles with a max weight of 54kg. It is the smallest, lightest and most compact in its class for the towing hitch and even with bicycles attached, accessing the boot is easy with the newly developed foot switch. Its anti-theft locking device makes life difficult for thieves and when it's not in use, it folds up neatly into its carry bag, automatically locking. Max. bicycle wheelbase 125cm. Not available on models with the Pro S battery (77 kWh).

04 Transport hitch (kit)

The ID3 Transport hitch including 13-pin electrics expands the capabilities of your vehicle. Full integration into the vehicle's CAN-bus network is provided for all electrical components and adjustment of all the vehicle's assistance systems. You cannot tow anything with your ID.3, but you can mount bicycle carriers and, in the future, mount transport boxes.

Protection packs

05 All-weather floor mats – Front and rear titanium black

When it comes to keeping out the worst, these rubber mats are the best. Durable, this set of two non-slip front mats protect from dirt and moisture. Shaped to fit, they're easy to clean and come with push button fastening.

06 Luxury textile floor mats – Front and rear

These premium quality carpet mats have stud fixing points which prevent slipping and turning for increased safety. Model branded, they protect against dirt and moisture and are non-slip and shaped to fit. Velour material.

07 Flexible loadliner – Basic/Variable luggage compartment floor

This light, flexible and washable custom-made loadliner fits perfectly to the vehicle boot contours, protecting it from moisture and dirt. The moulded inlay prevents movement of goods in the boot. If the boot liner is not required, it can be simply rolled up to save space.

08 Loading sill protection – Transparent film

Perfect protection with an inconspicuous look, this transparent loading sill protection is precisely dimensioned to protect your bumper against scratches when loading and unloading the luggage compartment.

09 Electric charging cable (230V 1AC) – UK (6 metre)

This 230V AC 6 metre charging cable enables you to charge your ID.3 at home without the need for a wallbox, or anywhere else with a standard domestic UK plug socket (within parking distance). Charge times will be longer than on fast or rapid chargers due to the lower KW rating on a standard plug socket.

Images shown are for illustration purposes only and may not necessarily reflect UK specification.

[The ID.3](#)[Model prices](#)[Equipment](#)[Factory-fitted options](#)[Electric charging](#)[Wheels](#)[Paint and Interior](#)[Accessories](#)[VED and additional 'On the road' costs](#)[Environmental information](#)[CO₂ emissions, BIK % and VED Bands with optional wheels](#)[Company car taxation chart and example](#)[Volkswagen service](#)[Volkswagen Finance](#)

VED and additional ‘On the road’ costs.

Diesel vehicles that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band. The following tables give the rates of vehicle tax on cars registered on or after 1 April 2021. Please refer to the Model Prices pages to confirm which models are RDE2 compliant.

‘FIRST YEAR RATE’ VED – CARS REGISTERED ON OR AFTER 1.4.2021 BASED ON CO₂ EMISSIONS AND FUEL TYPE

Petrol/Diesel[†] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Petrol/Diesel [†] VED £	Petrol total ‘On the road’ costs £
0	0.00	690.00
1-50	10.00	700.00
51-75	25.00	715.00
76-90	115.00	805.00
91-100	140.00	830.00
101-110	160.00	850.00
111-130	180.00	870.00
131-150	220.00	910.00
151-170	555.00	1,245.00
171-190	895.00	1,585.00
191-225	1,345.00	2,035.00
226-255	1,910.00	2,600.00
Over 255	2,245.00	2,935.00

Diesel[‡] – ‘First year rate’ VED

CO ₂ emissions (g/km)	Diesel [‡] VED £	Diesel total ‘On the road’ costs £
0	0.00	690.00
1-50	25.00	715.00
51-75	115.00	805.00
76-90	140.00	830.00
91-100	160.00	850.00

171-190	1,345.00	2,035.00
191-225	1,910.00	2,600.00
226-255	2,245.00	2,935.00
Over 255	2,245.00	2,935.00

Alternative fuel – ‘First year rate’ VED

CO ₂ emissions (g/km)	Alternative fuel VED £	Alternative fuel total ‘On the road’ costs £
0	0.00	690.00
1-50	0.00	690.00
51-75	15.00	705.00
76-90	105.00	795.00
91-100	130.00	820.00
101-110	150.00	840.00
111-130	170.00	860.00
131-150	210.00	900.00
151-170	545.00	1,235.00
171-190	885.00	1,575.00
191-225	1,335.00	2,025.00
226-255	1,900.00	2,590.00
Over 255	2,235.00	2,925.00

The way VED (Vehicle Excise Duty) vehicle tax is calculated will change for vehicles that are first registered with the DVLA on, or after, 1 April 2018. All new diesel vehicles registered after 1 April 2018 that do not meet the RDE2 standard will be charged a supplement on their ‘First year rate’ to the effect of moving up by one VED (Vehicle Excise Duty) band.

If a new vehicle is registered on or after 1 April 2018, after the ‘First year rate’ VED the majority of vehicles move to the ‘Standard rate’ of vehicle tax which is £155 a year.

The ‘First year rate’ will be based on the CO₂ emissions, fuel type and the list price of the vehicle supplied by the Manufacturer or Retailer as applicable on the day before the vehicle is first registered and taxed.

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £155 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

Petrol or diesel vehicles with a list price over £40,000 at first registration will pay £490 a year, after the first ‘First year rate’ vehicle tax, for a period of five years. This comprises the £155 ‘Standard rate’ and £335 additional rate. After five years the vehicle tax will revert to the ‘Standard rate’ of £155 per year.

Alternative fuel vehicles – hybrids, bi-ethanol or LPG, with a list price over £40,000 at first registration will pay £480 a year after the ‘First year rate’ vehicle tax for a period of five years. This comprises the £145 ‘Standard rate’ and £335 additional rate which reverts to £145 ‘Standard rate’ after five years.

Vehicles with a list price exceeding £40,000 (excluding vehicles with zero emissions) will pay the additional rate of £335 a year for a further five year period, after the ‘First year rate’ tax. After the five year period these vehicles will pay zero VED tax.

‘STANDARD RATE’ VED

‘Standard rate’ VED based on fuel type

Fuel type	CO ₂ emissions (g/km)	‘Standard rate’ 12 months VED £
Electric/Other	0	0.00
Petrol/Diesel	1 - Over 255	155.00
Alternative	1 - Over 255	145.00

After the ‘First year rate’, all vehicles with zero emissions will be exempt from the ‘Standard rate’ of vehicle tax. All petrol and diesel vehicles will pay a standard rate of £155 a year, and alternative fuel vehicles will pay a standard rate of £145 a year.

‘STANDARD RATE’ – OVER £40,000 RRP

‘Standard rate’ VED for vehicles over £40,000 list price – five year annual rate

Fuel type	‘Standard rate’ 12 months VED £	Additional rate £	Total annual payment £
Electric	0.00	0.00	0.00
Petrol/Diesel	155.00	335.00	490.00
Alternative	145.00	335.00	480.00

Petrol or diesel vehicles with a list price over £40,000 at first registration pay £490 a year after the ‘First year rate’ for a period of five years. Alternative fuel vehicles over £40,000 at first registration – hybrids, bi-ethanol or LPG, pay £480 a year after the ‘First year rate’ for a period of five years. After five years, vehicles will revert to their ‘Standard rate’ tax depending on fuel type. Electric or vehicles producing zero emissions over £40,000 at first registration are exempt from any charge after the ‘First year rate’.

ADDITIONAL ‘OTR’ COSTS

Additional ‘On the road’ costs

Delivery to retailer	509.17
Number plates	20.00
VAT	105.83
Vehicle first registration fee	55.00
Total	690.00

The total ‘On the road’ costs above for petrol, diesel, electric and alternative fuel vehicles include the applicable ‘First year rate’ VED charge plus the ‘On the road’ costs as detailed above.

VAT IS CALCULATED AT 20%. EFFECTIVE FROM 7 SEPTEMBER 2021.

¹ Figures for the Volkswagen ID.3 battery electric vehicle. Fuel consumption for battery electric vehicles is N/A and CO₂ emissions are zero while driving. Battery electric vehicles require electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 7.9.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

[‡] This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at www.volkswagen.co.uk/need-help/wltp.

* Zero emissions while driving.

RDE2 refers to Real Driving Emissions Step 2.

EFFECTIVE FROM 7 SEPTEMBER 2021.

CO₂ emissions, BIK % and VED Bands with optional wheels.

Effect of wheel size on CO₂ emissions, BIK % and VED Bands.

Choosing alternative alloy wheels than standard, as an option, may result in different fuel consumption as well as different CO₂ emissions and subsequently an alternative Vehicle Excise Duty (VED) Band, while BIK rates paid by company car drivers may differ. This is due to the fact that different wheels have both alternative aerodynamic drag and mechanical drag, resulting in different rolling resistance and wind resistance. As a result, the VED Band that the vehicle falls into may differ from its original VED Band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may change as a result of the change in VED rate. The chart below shows CO₂ emissions and the related VED Bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the different cost payable due to a change in VED Band if applicable.

1 Figures for the Volkswagen up! range, including petrol, diesel and battery electric vehicles. Fuel consumption for battery electric vehicles is N/A and CO₂ emissions are zero while driving. Battery electric vehicles require mains electricity for charging. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 7.9.2021. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. For more information, please see www.volkswagen.co.uk/need-help/wltp or consult your authorised Volkswagen retailer.

2 The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2021. These charges may differ from any charges displayed or quoted before 6 April 2021. The BIK % figure quoted includes the 4% diesel supplement, where applicable. Please consult your Volkswagen retailer for full details.

‡ These vehicles are WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicles. More information is available at www.volkswagen.co.uk/need-help/wltp.

For detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments, visit the Volkswagen online car configurator at www.volkswagen.co.uk or consult your authorised Volkswagen retailer.

EFFECTIVE FROM 7 SEPTEMBER 2021.

Company car taxation chart – tax year 2021/22.

[Configure now >](#)

How to calculate your company car income tax liability – effective 6.4.2021

The government is retaining the diesel supplement in company car tax until 2021, when EU-wide testing procedures will ensure new diesel cars meet air quality standards even under strict 'real world' driving conditions. In the 2017 Autumn Budget the Chancellor announced that there will be a new VED supplement on new diesel cars first registered from 1 April 2018 adding 4% to their appropriate percentage if the car is propelled solely by diesel (up to a maximum of 37%), so that their First-Year Rate will be calculated as if they were in the VED band above. However, this will not apply on those diesel cars which meet Real Driving Emissions Step 2 (RDE2) standards.

For further details of company car tax, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk/offers-and-finance/fleet/calculators/company-car-tax-calculator. Full details can be found at www.assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/815268/190617_-_WLTP_-_summary_of_responses_v2.2.pdf

- ¹ P11D values given in this price list are based on standard specification models with no factory-fitted options or other accessories. If your car includes factory-fitted options or other accessories, you may need to adjust the P11D value to take this into account.
- ² From 6 April 2018, new income tax rates have been introduced for Scottish Taxpayers, these figures reflect the new Scottish rates. For full details of Scottish BIK tax liability, please refer to the [Benefit In Kind for Scottish Residents section](#)

VOLKSWAGEN FINANCE¹

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

Lease&Care

Our finance option designed for electric vehicles. With no worries of ownership, one simple monthly payment covers your car alongside a care package of your choice, covering varying levels of servicing, maintenance and tyres, depending on what suits you.

For further details of Lease&Care [please click here](#), consult your authorised Volkswagen retailer or visit www.volkswagen.co.uk

Solutions – a Personal Contract Plan

Flexible finance plan designed to allow you to drive a new vehicle sooner than you think. At the end of your agreement you can choose to trade in your Volkswagen for a new one, keep it, or hand it back.

Hire Purchase

A simple and straightforward way to finance your Volkswagen. Have the option to break down your monthly payments over a period that suits you, making financing your car much more manageable than you think.

- Contract Hire
- Lease Purchase
- Finance Lease

COMPLIMENTARY VOLKSWAGEN DRIVE AWAY INSURANCE²

Start enjoying your new ID.3 from day one with five days' complimentary Volkswagen Drive Away Insurance, subject to eligibility. To set up your cover, you will need the following information from your Volkswagen Retailer: vehicle model, registration number, vehicle collection date and Volkswagen Retailer number. Once you have these details, visit www.insurewithvolkswagen.co.uk/driveaway to activate your cover. Alternatively, you can call us on **0345 300 6119**. Lines are open Monday to Friday 8am-8pm, and Saturday 9am-5pm.

We will also provide you with a quote, giving you the option to purchase annual cover that comes with a 3 Year Fixed Price commitment; so you can relax knowing that if nothing changes over the next three years, the cost of your car insurance won't increase. Read on for more details.

ANNUAL CAR INSURANCE WITH THE VOLKSWAGEN 3 YEAR FIXED PRICE COMMITMENT²

Insurance made simple, with the Volkswagen 3 Year Fixed Price commitment.

We know that keeping your ID.3 on the road is important. That's why Volkswagen Car Insurance is designed with you and your ID.3 in mind. With additional features for electric vehicles built in as standard, you can have ultimate peace of mind.

Plus, you can relax knowing the cost of your car insurance won't increase each year, the price will only change if your circumstances do. Cover runs for 12 months at a time and you'll receive a renewal notice confirming your fixed price for the following year.

With Volkswagen Car Insurance, you're not tied in for the three years, so if you decide you no longer want cover, you can simply let us know before your cover renews. If you make an amendment to your policy the premium at your next renewal will change, and this will be fixed for the remaining renewal periods. The Fixed Price Commitment will no longer apply if you or a named driver gain a motoring conviction or make a claim (excluding windscreen claims), and the Fixed Price Commitment does not apply to additional products and/or Insurance Premium Tax changes.

Volkswagen Car Insurance provides comprehensive cover, and you can enjoy the following benefits as standard:

- 3 Year Fixed Price commitment
- Volkswagen Approved Repairs carried out by Volkswagen Approved Technicians using only Volkswagen Genuine Parts and Paints (excludes windscreen claims)

ANNUAL CAR INSURANCE WITH THE VOLKSWAGEN 3 YEAR FIXED PRICE COMMITMENT² (CONTINUED)

- Guaranteed courtesy car whilst yours is in for repair
- Uninsured driver promise when you make a claim for an accident that is not your fault (providing we have the vehicle registration, make, model, and driver details of the other vehicle)
- Electric charging cables and home charger cover, as well as cover for accidents caused by any electric charging cables when attached to your car
- Electric car battery cover, whether it is owned or leased, if it becomes damaged as a result of an insured incident
- Windscreen cover
- Personal accident cover
- Personal belongings cover (excludes loss of money)
- Child seat replacement

Enjoy peace of mind and complete convenience, relax in the knowledge you have a policy tailored specifically for your ID.3.

To get a quote or find out more, visit www.insurewithvolkswagen.co.uk/car-insurance

Alternatively, call us on **0345 877 6464**. Lines are open Monday to Friday 8am-8pm, and Saturday 9am-5pm.

VOLKSWAGEN GAP INSURANCE³

If your Volkswagen is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Volkswagen or help pay off any outstanding finance, lease or hire agreement.

We have two options for you to choose from:

Volkswagen Gap Insurance

This pays the difference between the write-off settlement from your motor insurer and the price you paid for your Volkswagen or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, we will cover the difference between the write-off settlement from your motor insurer and the early termination charge.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

VOLKSWAGEN GAP INSURANCE³ (CONTINUED)

Volkswagen Gap Insurance Plus

In addition to all the benefits of Volkswagen Gap Insurance, the Volkswagen Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, we will pay a fixed sum of £2,500.

Whether you purchase, finance, lease or hire your vehicle, our Gap Insurance will give you the financial protection your ID.4 deserves. For more information, visit www.insurewithvolkswagen.co.uk/gap-insurance

- 1 Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
- 2 Volkswagen Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded. Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No. 2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Volkswagen Insurance Service (Great Britain) Ltd is an appointed representative of VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.
- 3 The inspection service first at 2 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.
- 4 The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.
- 5 Volkswagen Gap Insurance and Volkswagen Gap Insurance Plus are administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited.

Volkswagen service (continued).

WARRANTY

Exclusions and terms and conditions apply to all warranties, plans and insurance listed. For pricing and further details of Volkswagen Warranties, Service Plans and Insurance, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

THE VOLKSWAGEN WARRANTY THREE-YEAR WARRANTY

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

BODY PROTECTION WARRANTY

The internal body sections and panels are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

THREE-YEAR PAINTWORK WARRANTY

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

APPROVED ACCESSORIES

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

VOLKSWAGEN BEV EIGHT-YEAR BATTERY WARRANTY

1. A guarantee for eight years or 100,000 miles/ 160,000km (whichever is soonest), on all material or manufacturing defects.
2. Gradual reduction in battery capacity over times is integral to the nature of the component, and does not represent a defect under the terms of this guarantee, as long as the reduction in capacity is not in excess of the value specified for this vehicle in the owner's manual.
3. With the exception of the warranty term, all warranty conditions stipulated by the Volkswagen retailer selling the vehicle (prerequisites, criteria for freedom from defects, exclusions, settlement of claims, entry into force and start of extended warranty term, scope of application etc.) also apply to the high voltage battery.

BEV HOME CHARGING

Home charging using a domestic socket will depend on the condition and suitability of the wiring in your home. Always consult a qualified electrician before charging when using a domestic socket for the first time, or, if the socket is to be used as the primary source of charging. Domestic sockets on the same circuit as other appliances, particularly those in frequent use, will draw additional amperage which may result in a breaker switch being 'tripped'. Establishing a separate circuit for home charging will help ensure your electric vehicle is supplied with a consistent, uninterrupted current. For optimum charging, we recommend installing an electric vehicle charging point at home.

SERVICING AND MAINTENANCE

Electric vehicles

Vehicles powered only by an electric motor require a Fixed Service schedule as follows:

- Inspection service – every two years fixed, unlimited mileage.

VOLKSWAGEN RETAILER NETWORK

Our BEV and PHEV models are available for sale and service from all Volkswagen Retailers. For details of your nearest authorised Volkswagen Retailer please visit www.volkswagen.co.uk for more details.

PRICES AND SPECIFICATIONS

The prices and specifications contained in this price list are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

BENEFIT IN KIND (BIK) FOR SCOTTISH RESIDENTS

Effective as of 6 April 2018, the Scottish Government introduced their own BIK taxation structure. This is only applicable to Company Car Drivers that are resident Scottish taxpayers. HMRC will continue to be responsible for the collection and management of taxes and will determine whether or not an individual is a Scottish taxpayer based on where their primary place of residence is.

FUEL CONSUMPTION AND CO₂ EMISSIONS

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

VOLKSWAGEN ROADSIDE ASSISTANCE

Every new car is registered for Volkswagen Roadside Assistance for one year except the ID.3 which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years.

Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Volkswagen Finance – Lease&Care.

Volkswagen Financial Services specialise in providing funding solutions for Volkswagen drivers. They have a range of finance options to suit you, whether you're a private or business customer, looking to lease or own your Volkswagen – speak to your local retailer for an overview on all the finance products available.

Lease&Care

Volkswagen Lease&Care is a leasing agreement where you select a Care Package which covers a level of servicing that suits you. It allows you to drive a Volkswagen without the need to own it, giving you peace of mind knowing that your monthly payment covers your car and servicing costs.

Cost of leasing your vehicle

Once you've chosen your Volkswagen, there are a few key decisions:

- 1 Initial payment – choose how much you want to put down upfront
- 2 Contract length – how long do you want the vehicle for?
- 3 Annual Mileage – how many miles do you cover?
- 4 Care Package – choose the level of cover that provides you with peace of mind

What are the benefits of Lease&Care:

- Simple - It's simple, pay a single monthly payment for the vehicle and the Care Package you've chosen, change your vehicle at a regular fixed period and you have no depreciation risk
- No ownership worries – You won't own the vehicle, so you won't have any of the worries of ownership – you just need to hand it back at the end of the agreement
- No unexpected costs – There's no additional final payment at the end of the agreement (subject to excess mileage and fair wear and tear)
- Peace of mind – Choose our Large Package with 5 days VWFS Rent-a-Car allowance included within your monthly payments, giving you access to a non-electric vehicle if you want extra peace of mind on those longer journeys.

Care Packages

Small	Medium	Large
Our small package covers you for essential servicing:	Our medium package covers you for everything in small, plus all routine manufacturer servicing which includes:	Our large package is our most comprehensive package and covers everything in small and medium plus:
