THE LENOVO® THINKPAD® X1 NOTEBOOK

PUTS MORE TIME ON YOUR SIDE

Get introduced to the lightest corporate heavyweight in town. The ThinkPad X1 is the thinnest yet power-packed ThinkPad so far, built to deliver no-compromise performance. Powered by Intel® Core™ i7 Processor, it lends superior VOIP experience with advanced noise and echo cancellation. Its Lenovo RapidCharge battery technology recharges batteries to 80% capacity in all of 30 minutes; while its trusted Roll Cage technology and Corning® Gorilla® glass make sure it stays protected against the rough and tumble of corporate life. Designed to match your sophistication and style, the ThinkPad X1 is your answer to uber-cool and high-performance mobile computing.

LENOVO ENHANCED EXPERIENCE 2.0 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Lenovo Enhanced Experience 2.0 for Windows® 7 uses RapidBoot technology to start your PC on average 20 seconds faster than a typical Windows® 7 computer*. And with superior web conferencing and robust security features, you'll benefit from increased productivity at the office. Find out more at www.lenovo.com/win7ee

*Compares averaged data from Lenovo EE 2.0 PCs with averaged data from 42 competitor products of similar configuration. Testing conducted by CNET Labs, Beijing in November 2010, using the independent Microsoft VTS tool to measure start-up, shutdown, resume and other Windows® 7 performance measurements. Data from competitor and Lenovo PCs were averaged and compared to calculate the claims used. Performance will vary by model and configuration.

Lenovo® recommends Windows® 7 Professional.

ULTRA-MOBILITY REDEFINED

- Thinnest Thinkpad ever at 16mm
- Lenovo RapidCharge charges the ThinkPad X1 battery up to 80% in 30 minutes
- Up to 10 hours battery life (with External Slice Battery)
- Integrated 3G mobile broadband options to connect and work anywhere.

ENHANCED USABILITY

- HDMI 1.4a for video output – Connect external high-definition displays and HDTVs with ease
- Integrated low-light-sensitive HD Webcam delivers a clearer image even in poor lighting conditions, making it easy to stay connected even when on the move
- Keystroke Noise suppression technology that ensures only your voice is heard in a web conversation
- Buttonless touchpad and Trackpoint for greater control

LEGENDARY THINKPAD RELIABILITY

- RollCage and Corning® Gorilla® glass protects the ThinkPad X1 against accidental drops and scratches
- RapidCharge battery designed to last 3 times longer than a standard notebook battery.
- Full-size spill-resistant precision keyboard. Now backlit.
- Fingerprint reader for secure authenticate and login with one swipe

WITHOUT SACRIFICING THE PERFORMANCE

- 2nd generation Intel® Core™ i7 processor running at 2.7GHz (Max Turbo frequency 3.4GHz)
- Up to Genuine Windows® 7 Professional 64-bit
- Lenovo Enhanced Experience 2.0 for Windows® 7 further enhances the usability and performance with industry's best boot up times
- Up to 8GB DDR3 RAM and 160GB SSD, USB3.0 port

SERVICE OFFERINGS

THINKPLUS SUPPORT

Lenovo's award winning Warranty Service and Support optimize productivity and end-user satisfaction by helping you concentrate more on your business objectives.

- **ThinkPlus Priority Support***
Saves time, reduces costs and maximizes productivity, by providing you with faster, 24x7, direct access to advanced-level skilled technicians for hardware and software issues (phone based).
- **ThinkPlus Warranty Upgrades**
Maximizes PC uptime and productivity by providing convenient and fast repair services at your place of business up to 5 years of on-site warranty service with next business day response time (target). Available also in bundle with TPP and HDDR option.
- **ThinkPlus Warranty Extensions**
Prolong standard warranty from 1 or 3 years to 3, 4 or 5 years of service support. Help accurately budget for PC expense, protects your investment and lowers the overall TCO with a fixed-term, fixed-cost service.

THINKPLUS PROTECTION

Lenovo's Protection Services help you avoid unbudgeted repair costs, secure your data, save money and achieve peace of mind.

- **ThinkPad Protection (TPP)**
Provides coverage for unexpected damage, unintentional drops and minor spills, thereby helping you eliminate unplanned repair costs.
- **Hard Disk Drive Retention (HDDR)**
Allows you to retain the hard drive, should it happen to fail, thus helping you protect your valuable data.
- **Sealed Battery Warranty Extension**
Available with the purchase of a 3 year extended system warranty, Lenovo's Sealed Battery 3 Year Warranty Extension provides a one-time battery replacement opportunity at a fraction of the cost of standard battery replacement.
