NC9Plus
ANC Wireless Earbuds

How To Pair

TWS Auto Pairing

- 1 Open the charging case, they will power on automatically and will connect each other automatically within 10 seconds.

- 2 If the earbud is full charge, the earbud will flash blue light for 5 seconds, then disappear. If the earbud is not full charge, it will keep red light until full charge.

- 3 Search for pairing name [TOZO-NC9 Plus], and select it in your phone.

MFB Touch Panel

Reset

If you accidentally get only one earbud work, or fails to pair each other, please reset it:

- Delete all TOZO-NC9 Plus records on the phone, then turn off the Bluetooth.
 - Holding both earbuds button for 5 seconds till red lights on to turn off earbuds.
 - Holding the MFB Touch Panel on each of earbuds for another 5 seconds till blue light turn on and off, and then clicking the MFB Touch Panel on each of earbuds twice quickly, the reset process will be done when the Purple light on for 1s, then two earbuds flash red and blue alternately, reset is complete.
- NOTE: In case there is [Connection Unsuccessful] in your devices, please consider to delete all historical records of [TOZO-NC9 Plus] and try the pairing process again.
