

## *Step 1*

Shake the Liner and Apply two coats of your Luxillia Magnetic Liner along your lashline and let it dry completely

## *How To Remove The Liner*

To easily remove the liner use cotton swab dipped in makeup remover to gently rub the liner off. After that wipe or wash the eyelid

## *Step 2*

Gently remove your Luxillia lashes from the package and place them as close to your lash bed as possible. Watch them immediately lock into place.

**CAUTION-** Keep out from the reach of children. If you have pre-existing eye condition or sensitive eyes consult your physican before use. Always do a patch test before applying any makeup product
