For sales/general inquiries, visit icron.com/contact.

Before starting, install any required drivers for your USB device(s).

LEX = Local Extender
REX = Remote Extender

Network Connect

Place LEX and REX where desired and Link in one of two ways:

- 1** (a) Connect the Link ports (outermost RJ45 connector) on the LEX and REX to a 10GBASE-T LAN using a CAT 6a/7 cable.

Direct Connect

- (b) Connect a CAT 6a/7 cable to the Link ports (outermost RJ45 connector) on the LEX and REX.

- 2** Power the LEX with the included 24V 1A AC adapter and tighten the locking ring.

- 3** Power the REX with the included 24V 2.71A AC adapter and tighten the locking ring.

- 4** Connect the LEX to the host computer's USB-C port using the included USB-C cable.

- 5** Attach the USB device(s) to the REX.

- 6 Optional:** Connect the LEX and REX 10Gb Ethernet ports (inner RJ45 connector) to a network or device as necessary for pass-through LAN.

Certification, Compliance, and Warranty Information

FCC Radio Frequency Interference Statement Warning

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

CE Statement

We, Icron, an Analog Devices brand, declare under our sole responsibility that the USB 3-2-1 Raven™ 3204C Pro, to which this declaration relates, is in conformity with European Standards EN 55032, EN 55035, EN 61000, EN 62368-1 and RoHS Directive 2011/65/EU + 2015/863/EU.

Industry Canada Statement

This Class B digital apparatus complies with Canadian ICES-003.
CAN ICES-3 (B) / NMB-3 (B)

WEEE Statement

The European Union has established regulations for the collection and recycling of all waste electrical and electronic equipment (WEEE). Implementation of WEEE regulations may vary slightly by individual EU member states. Please check with your local and state government guidelines for safe disposal and recycling or contact your national WEEE recycling agency for more information.

Product Operation and Storage

Please read and follow all instructions provided with this product and operate for intended use only. Do not attempt to open the product casing as this may cause damage and will void the warranty. Use only the power supplies provided with this product. When not in use, this product should be stored in a dry location between -20°C and 70°C. Product user guides are available online at icron.com.

Limited Hardware Warranty

Icron warrants that any hardware products accompanying this documentation shall be free from significant defects in material and workmanship for a period of two years from the date of purchase. Icron's hardware warranty extends to Licensee, its customers and end users. The warranty does not include repair of failures caused by misuse, neglect, accident, modification, operation outside a normal operating environment, service of the device by non-authorized servicers or a product for which Icron is not responsible.

Hardware Remedies

Icron's entire liability and the Licensee's exclusive remedy for any breach of warranty, shall be, at Icron's option, either: (a) return of the price paid, or (b) repair or replacement of hardware, which will be warranted for the remainder of the original warranty period or 30 days, whichever is longer. These remedies are void if failure of the hardware has resulted from accident, abuse, or misapplication.

Limitation of Liability

The hardware warranty set forth in this agreement replaces all other warranties. Icron expressly disclaims all other merchantability and fitness for a particular purpose and non-infringement of third-party rights with respect to the hardware.

Icron dealer, agent or employee is not authorized to make any modification, extension, or addition to this warranty. Under no circumstances will Icron, its suppliers or licensors be liable for any costs of procurement or substitute products or services, lost profits, loss of information or data, or any other special, indirect, consequential, or incidental damages arising in any way out of the sale of, use of, or inability to use Icron product or service, even if Icron, its suppliers or licensors have been advised of the possibility of such damages. In no case shall Icron, its suppliers and licensors' liability exceed the actual money paid for the products at issue.

Since some jurisdictions do not allow the limitation of implied warranties of liability for incidental, consequential, special, or indirect damages, the above limitation may not always apply. The above limitations will not apply in case of personal injury where and to the extent that applicable law requires such liability.

Obtaining Warranty Service

Contact the Icron technical support team within the warranty period to obtain a Return Material Authorization (RMA) number. To begin the warranty process, please fill out the short online form located at icron.com/support.
