The following are points of attention that may cause injury and product damage.

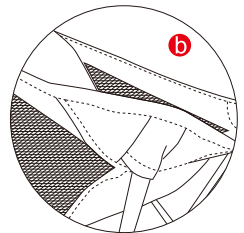

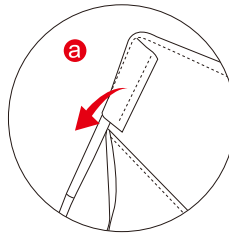

1. The maximum load capacity of this product is 150kg. The load capacity is a measured value, not a guaranteed value. It will vary depending on the loading objects and the method of loading, so please use this as a guide only.
2. Avoid long time direct sunlight, or the frame may be deformed.
3. Please be careful of the moving parts when assembling and disassembling the product, or you may pinch your fingers.
4. Do not allow children to assemble or remove the product, as this may result in injury or damage to the product. Children should use it under the guidance of adults.

ASSEMBLY INSTRUCTIONS

- 1 Insert the aluminum poles into the pole slots one by one. Please disassemble it in the direction indicated by the arrow.

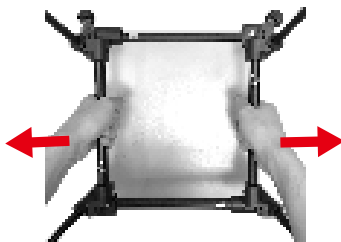

- 2 Stretch and lock the top two corners first, then stretch the bottom two fabric corners. That would be more easy!

FOLDING INSTRUCTIONS

- 1 Pull the bracket left and right in the direction of the arrow.

- 2 Stagger the brackets at the front and rear in the direction of the arrow.

- 3 Turn the front and rear brackets over to form a bundle.
