■ Precautions for use

- ① Headphones should be stored in a dry and ventilated environment to avoid contact with oil, water vapor and steam. In order to avoid affecting product performance.
- ② Avoid cleaning with irritating, organic solvents or materials containing these ingredients.
- ③ The headset should be used according to the correct specification requirements, and pay attention to the influence of the using environment on the headset.
To ensure smooth connection, it is recommended that the distance between the mobile phone and the earphone be within 10 meters.
- ④ If the earphone fails to connect or communicate properly, do not remove the earphone without permission.
The machine body and its accessories are not guaranteed otherwise.
- ⑤ To charge the earphone, please use the standard car charger or the one specified by our company. Chargers required.
- ⑥ To ensure normal use of the earphone, ensure that the power of the earphone is sufficient.
