A620

**2.1ch Soundbar with Built-in Subwoofer
Model-A620**

Elevate your entertainment with the Hisense A620 2.1 channel soundbar, delivering 240W of powerful, immersive audio in a sleek design. Its built-in subwoofer provides deep, rich bass without clutter, while two front-facing speakers deliver clear, vibrant tones. Experience true 2.1 channel surround sound that brings movies, music, and games to life from every angle. The visible built-in subwoofer adds an extra layer of engagement, letting you see and feel the vibrations. With Dolby Digital Plus and DTS Virtual X, enjoy a virtual 3D sound experience that pulls you into the action.

240W Max Audio Power

Upgrade your TV sound instantly with the 2 powerful speakers and a built-in subwoofer that deliver 240W max audio power.

Visible Built-In Subwoofer

See and feel the immersive vibrations of the Hisense A620's visible built-in subwoofer, all without adding extra clutter to your living room.

TV Mode

With TV mode technology, when connected to compatible Hisense TVs (models that support Dolby Atmos), you can fully leverage your TV's sound capabilities like Dolby Atmos through the soundbar speakers, enhancing your audio experience for truly immersive sound.

6 Tailored Sound Modes

Get the best audio performance from movies, music, sports, games, and more. All with a simple touch of the remote with 6 preset sound modes.

Roku TV Ready

As a Roku TV Ready device, the Hisense A620 Soundbar is fully compatible with any Roku TV through the HDMI connection.

2.1 Channel

Experience immersive sound around you with our true 2.1 channel surround sound system that brings movies, music, and games to life. This soundbar features a built-in subwoofer that delivers deep, powerful bass, while the two front-facing speakers provide bright, clear top and mid-range tones, enriching your audio experience from every angle.

Dolby Digital Plus and DTS Virtual:X

Experience the immersive power of Dolby Audio and DTS Virtual:X technology as they create a virtual 3D sound environment, drawing you into the heart of your favourite entertainment.

One Remote, Double Enjoyment (EzPlay)

Use only one, user-friendly remote to adjust Soundbar's setting from the TV.

Easy Connectivity

Connect, Listen, Enjoy. Bluetooth 5.3, Faster & Stable, HDMI ARC, AUX, USB, OPTICAL.
