

# EV Charger Accessories Charger Mounting Stand

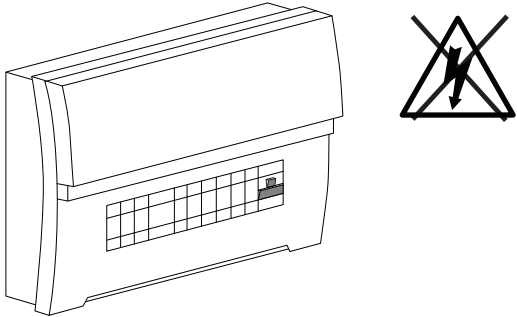

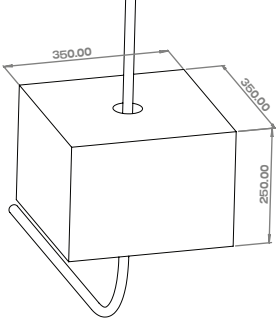

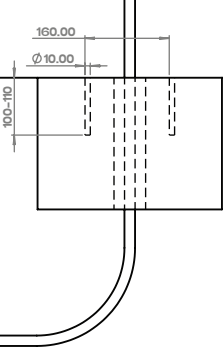

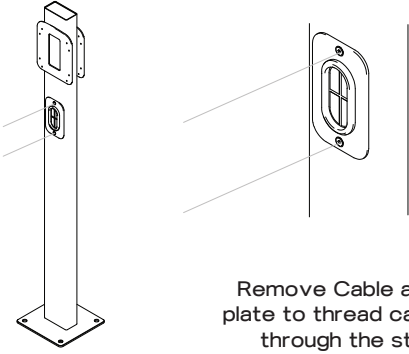

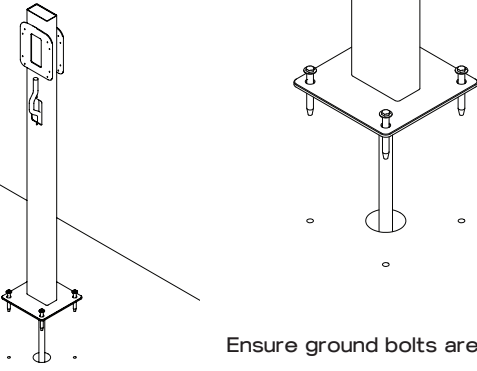

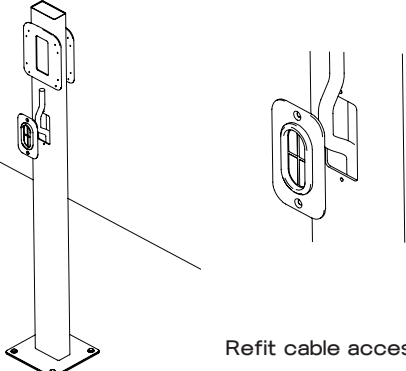

EVASTAND12S/EVASTAND12T

UK  
CA CE

## INTRODUCTION

This guide is intended for use by competent electrical installers to explain basic requirements and options to be considered when installing a Sync Energy Charger and its associated accessories.

The mounting stand is designed for use to pre-poured concrete or other similar solid mounting surface. Suitable for use with the Sync Energy EVS7G/EVT77G Charger points.
