

USB3.2 Cloner Dock for M2+NVM

Item no.:

136-72

EAN:

5705730136726

5

Years
Warranty

Sandberg USB3.2 Cloner Dock for M.2+NVM makes it easy to read, write, and clone your NVMe SSDs. Cloning from one disk to another can be done entirely without connecting to a PC. The dock also works perfectly as a disk expansion, allowing you to have two extra SSDs connected to your computer simultaneously. Ideal for backup, data transfer, and storage expansion. Supports up to 10 Gbps via USB-C and requires no tools or software installation.
