

3 DOOR 2 DRAWER WARDROBE

ASSEMBLY INSTRUCTIONS

IMPORTANT
PLEASE READ BEFORE YOU CONTINUE FURTHER
FOR DOMESTIC USE ONLY
CARE AND MAINTENANCE

- After unpacking this product please keep the original packaging in case it needs to be returned for any reason.
- Please ensure all fittings and parts are present before commencing with assembly.
- We recommend that you lay a blanket or sheet on the floor to avoid damage to both your floor and the product.
- We strongly recommend that you keep children away from your work area.
- Assemble this product as close to its final position as possible
- Never drag or push products as this could cause damage to the joints making it inferior.
- Do not drag or push items across your furniture as this may cause the surface to scratch.
- Do not place this product next to radiator or in direct sunlight.
- Wood is a natural product and may expand if subjected to damp and may shrink or crack if subjected to heat. Therefore it is recommended that room temperature is maintained, with no sudden temperature fluctuations.
- Make sure any spillage is Wiped off immediately.
- Do not place hot or chilled items directly on to the surface, use a place mat or marking will occur.
- For general cleaning use soft cotton or micro fibre cloth and do not use detergents of any kind.
- Do not place on a wet or damp floor as staining may occur to your floor.
- From time to time it may be necessary to tighten fittings, regular inspections should be carried out.

Please Note:

The parts below have been stamped with the part number/color to help identify them during assembly

PARTS LIST

Part Number	Part Description	Quantity	Carton
1	Large Base Panel - Black	1	2/3

20	Drawer Bottom Support Bar - Black	2	2/3
21	Movable Shelf - Red	2	2/3
22	Anti Tip Device - Red	1	1/3

IMPORTANT INFORMATION!

please read the entire manual before starting to assemble and/or using this product. follow the manual thoroughly and keep it for further reference.

AVOID SCRATCHES!

In order to avoid scratching this furniture should be assembled on a soft layer—could be a rug.

IMPROVE EFFICIENCY !

Try to find a partner to install with you, which can speed up the installation efficiency and shorten the time.

ANTI-TOPPLE WARNING !

Overturned furniture can cause serious or fatal crush injuries. To prevent tipping over, be sure to use the wall attachment, if not included with this product. Please purchase the wall attachment that fit your wall. If unsure, seek professional advice. Please read and follow each step of the instructions carefully.

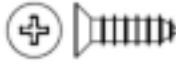

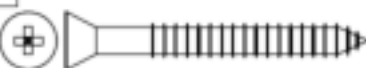

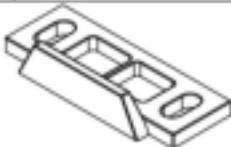

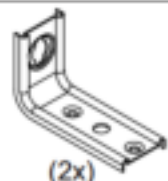

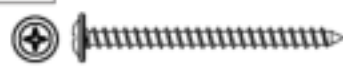

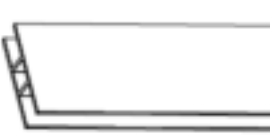

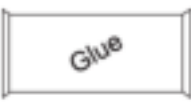

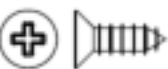

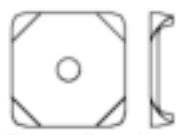

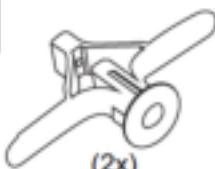

IMPORTANT !

It is important that any product which is assembled using any kind of screw is re-tightened 2 weeks after assembly, and once every 3 months - in order to assure stability through-out the lifespan of the product.

For regular maintenance and cleaning of the product, for the frame, please use a rag dipped in neutral detergent to fully wipe it, and then dry it with a clean rag. For glass materials, wipe with a rag dampened with water glass cleaner, and then dry with a dry rag.

Do not use an electric screwdriver, and do not use too much force when installing, because the board is easy to break.

STEP 18

Attention! Tipover system

Install anti-tipping device as show.

First, approach the furniture as close as possible to the wall

You will need a pencil to mark where you should drill the wall with a 3/8" drill bit to put in the hardware (B1)

Use the 3/8 drill bit to drill the wall

STEP 19

Attention! Tipover system

Put hardware (B1) in to the hole that you drilled on the wall

connect the hardware (K) on the wall using the hardware (N)

*Hardware (B1) plugged in the wall

*Connect the hardware (K) on the part 4 (green) with hardware (Z)

STEP 20

After installing the anti-tip system your product are ready to use
