This exploded view diagram illustrates the assembly of a wooden table. The components are numbered as follows:

- 1**: The main rectangular tabletop.
- 2**: A smaller rectangular panel, likely a base or a secondary tabletop section.
- 3**: The main rectangular tabletop, shown below the exploded view of the top.
- 4**: A small rectangular panel with pre-drilled holes.
- 5**: A small rectangular panel with pre-drilled holes.
- 6**: A small rectangular panel with pre-drilled holes.
- 7**: A long, narrow rectangular panel, likely a side rail or a base support.
- 8**: A small rectangular panel with pre-drilled holes.
- 9**: A long, narrow rectangular panel, likely a side rail or a base support.
- 10**: A small rectangular panel with pre-drilled holes.
- 11**: A small rectangular panel with pre-drilled holes.
- 12**: A small rectangular panel with pre-drilled holes.
- 13**: A small rectangular panel with pre-drilled holes.
- 14**: A small rectangular panel with pre-drilled holes.
- 15**: A small rectangular panel with pre-drilled holes.

The diagram shows the relative positions and alignment of these parts, indicating how they fit together to form the table structure.

The diagram illustrates the assembly of a rectangular frame structure. The main frame (1) is a large rectangle. Two side rails (3) are attached to the sides of the frame. The assembly is secured using screws A, Q, and K. A small rectangular panel (15) is attached to the side of the frame using screws A. A square panel (5) is attached to the bottom of the frame using screws F and G. Finally, two long, curved side rails (9 and 10) are attached to the sides of the frame using screws A.
