Motorized TV-Lift for installation in furniture

with **SMART HOME control** via Tuya APP + RF remote control

Enjoy the luxury of Smart Home control and hide your TV screen in the cabinet. Control the lift function with your smartphone via Tuya App or alternatively with remote control. The low-noise quality motor allows you to move the TV lift up and down. The additional built-in-anti-collision function protects the TV and furniture.

- ★ With position memory function
- ★ Convenient control with the Tuya App or remote control

- ★ Collision Avoidance System
- ★ Quiet quality motor < 50 dB

SPACE SAVING, STABLE, ERGONOMICALLY GOOD

HL 54 L

Desk Holder for Flat Screens

The HL 54 L is a space-saving solution for screen work at the desk. The mounting clamp and the removable VESA plate make the mounting of the holder very easy, without tools. Because of the integrated spring system, you can adjust the screen to your desired height.

- + Easy attachment to the tabletop
- + Gentle height adjustment by means of spring system
- + With cable management
- + VESA for easy mounting

For flat screens: 17" - 32" (43 - 81 cm)
 Loads: from 2 to 8 kg
 Tilt: +10° ~ -15°
 Swivel: 180°
 Screen horizontal adjustment: 360°
 VESA: 75 / 100
 With mounting clamp (10 - 50 mm)
