#### **Dimplex Control**

Control and monitor your heating and hot water with Dimplex Control. Group heaters into zones to easily control and track their energy usage. Any time. Anywhere.

- Toned control Quickly view and change heating mode.

  Zoned control Quickly view and change heating mode.

  Easy set-up The app features a step-by-step setup wizard so you can start using the system quickly without having to leave the app.

  Control your hot water See how much how water is available at the set temperature (Requires a compatible Dimplex Quantum Water Cylinder OWCd).

  Monitor energy usage by heater, zone or site with an hourly, 7 day, 28 day and annual view.

  Remote access Monitor and control your heating from anywhere in the world using the Dimplex control app and a mobile data connection.

  Support See faults reported on the app and request help using service mode.

<sup>\*\*</sup>Compatible with Dimplex Control system. Requires additional purchase of Dimplex Hub and RF Module (RF Modules not required for QMRF / QWCd / EDL / QRADRF)
\*\*\* Requires additional purchase of 1 x DWC item 078445 with each PLXENC
