

To deodorize the leather
leave the chair in a shady
outside for 1-2 days.

For longer use

Re-tighten bolts every 6 months by using
the enclosed allen-key.
*Using an electric drill can damage the chair.
Please re-tighten bolts manually.

Safety Information

Sit in the center of the
chair, with your back to
the backrest

Do not sit at the front
edge of the chair

Do not stand on the
chair

Do not use the chair
with more than one
person

Do not push the chair
around when a person
is sitting in it

Do not push down on
the backrest when a
person is reclined

Do not place all your
weight on only the
backrest
