Satisfy your craving to create with a 48-inch KitchenAid® Commercial-Style Range with Even-Heat™ Chrome Electric Griddle. This 6-burner gas range features two versatile 20,000 BTU Ultra Power™ Dual-Flame Burners with the power and precision to successfully sear, simmer, stir-fry and sauté. The double oven with Even-Heat™ True Convection helps you achieve more consistent baking and roasting.

Top Features

Even-Heat™ True Convection

Features a unique bow-tie design with heating element and fan that provide even airflow and consistent temperatures throughout the entire oven for crisp, flaky baked goods, juicy, evenly browned roasts and flavorful, caramelized vegetables.

Two 20,000 BTU Ultra Power™ Dual-Flame Burners

Give you precise control of powerful highs, steady lows and the wide range of temperatures in between. The versatile, dual-flame design lets you sear, sauté, simmer and sizzle, all on the same burner.

5,000 BTU Simmer & Melt Burner

With a low flame sized for small saucepans lets you reach and maintain low temperatures. Simmer sauces until they look, feel and taste just right and melt even delicate ingredients.

Three-Level Convertible Grates

With removable inserts match the heat to your technique. Leave the insert level for high-heat searing and sautéing, flip it over to lift your pan above the flame to simmer and melt or remove it to nestle a round-bottom wok in the flame for stir-fry.
