Design Tip

Price Presentation

Would you be pleased with your waiter or waitress if they started to tell your customers about food on the menu beginning with the price?

Next time you are out looking at a menu (not your own) and the prices are all neatly aligned on the right, I bet you look at the prices before you read all the words about the dish on offer. Be honest. We all do it.

Do this:

**Pan fried seabass,
crayfish and tomato risotto**
shaved fennel salad and salsa verde. 18

Baked haddock
saute greens, peas, lemon
and parsley veloute. 13

Wild mushroom risotto
with rocket and parmesan. 13

Don't do this:

Cozze Bianche£12.95
Fresh mussels cooked in a white wine
sauce, served with garlic bread

Gamberoni Alla Provinciale.£14.95
King prawns sautéed with onions, garlic, chilli, fresh herbs
and white wine in a rich tomato sauce garnished with
fresh cherry tomatoes served with rice. (Please note no
accompaniment with this dish as replaced with rice.)

Fish and Chips (Pesce e Patate). . . .£10.95
Top quality haddock fillet gently fried in breadcrumbs
and served with French fries, salad, tartar sauce
and a lemon wedge. (May contain bones.)
