

Heat Pump Dryer, 9kg, Refresh with Steam

White

- Heat pump technology dries at a lower temperature to look after your clothes, while no venting to outside is needed.
- With 14 dry cycles including Express 30, Wool and Rack Dry
 - Boasting an 8-star energy rating
 - Shorten your drying time when in a hurry, with the advanced Speed Up option
 - Advanced Anti-Tangling Technology uses reverse tumbling on nearly every cycle, significantly reducing tangling of clothes and sheets

DIMENSIONS

Height	845 mm
Width	595 mm
Depth	675 mm

FEATURES & BENEFITS

- 8-star energy rating**
Energy-efficient drying thanks to heat pump technology. Dry at low temperatures to protect clothes from wear.
- 14 dry cycles**
With a specialised dry cycle for a variety of fabrics, including Shirts and a Wool cycle that is certified by Woolmark. A drying rack is included for the Rack Dry cycle.
- Hybrid Boost technology**
With Hybrid Boost technology you can choose to save time by drying at a hotter temperature, or save energy with a longer dry time – as seen in the Express 30 cycle and the Eco and the Speed Up options.
- Refresh cycle**
The short Refresh cycle uses ultrasonic technology that releases steam into the drum – great to refresh clothes that have been folded or stored.
- Anti-Tangling Technology**
A unique air circulation system and advanced reverse tumbling significantly reduces tangling of clothes and sheets on all dry cycles except Rack Dry. Meanwhile, a pillow drum cushions laundry and helps care for clothes better.
- Healthier living**
The high temperature Sanitise dry option ensures dust mites are removed and kills more than 99.99% of bacteria*, for clean, healthy clothes and fabrics.
- Wi-Fi compatibility**
This dryer is Wi-Fi enabled, with remote access and future compatibility for smart home appliances thanks to ongoing software updates.
