

2023 25C Qualifying Equipment

There are some limitations for homeowners applying for either a tax credit or on their heating and cooling installation or upgrade. Determine your eligibility by checking the list below of qualifying products. Consult an experienced tax professional prior to applying for either the tax credit or rebate to ensure your equipment qualifies.

Air Conditioners

Lennox Industries Inc. ("Lennox") is not acting in the capacity of a legal or tax advisor and does not make any representation, warranty, guarantee or other assurance as to whether a particular matchup qualifies or is eligible for a tax credit or rebate. This document has been prepared for informational purposes only and is not intended to provide, and should not be relied on for, tax or legal advice. The IRS, DOE and state energy offices are responsible for the implementation and administration of tax credits/rebates. There are important requirements and limitations for the homeowner to qualify for tax credits/rebates. Moreover, the laws are subject to change. As a result, Lennox highly recommends that you consult with a tax advisor or attorney regarding your qualification for a tax credit/rebate in your particular circumstance and verify and review the applicable laws and regulations. Lennox expressly disclaims all liability for damages of any kind arising out of a homeowner's claim for a tax credit/rebate. This information is subject to change without notice.
