**Power on**

- Long press the button for 3 seconds for power on.
- In the power-on state, long press the button for 3 seconds for power off.

**Bond devices**

- The browser scan the QR code on the right to download App. Bond your device according to the instructions.
- Please turn on Bluetooth and location before binding the device.

**Set up the correct posture**

- Wear the device, and set up the correct posture according to the instructions in App.
- Set up the suitable angle and time lapse of the reminder.

**Keep the correct posture**

- When having a wrong posture or sitting for a long time, the device will "vibrate" to remind you to be upright.
- If you want to have a rest while using this device, you can double click the button to temporarily turn off the reminder mode for 30 minutes. Double click again to turn on the reminder mode.

**Posture training**

- The App offers professional "posture training courses" and "exercise games". Taking regular exercises every day can help strengthening weak muscles, which makes it easier to remain a good posture.

**Vibration and indicator lights**

- The product keeps being updated, so please subject to the actual version.

**Charging**

- For charging the device, please push the back of it and remove it from the neck loop (as shown in images ① ②).
- This device uses Type-C port for charging, and the power adapter should meet the following requirements:
  - Rated input: 5V = 1A
  - Charging period: around 1.5 h.
  - Charging: red light vibrates
  - Charging completed: constant: blue light

**Cleaning**

- The browser scan the QR code on the right to download App. Bond your device according to the instructions.
- Please turn on Bluetooth and location before binding the device.
- Wear the device, and set up the correct posture according to the instructions in App.
- Set up the suitable angle and time lapse of the reminder.

**Reminder**

- The product is recommended to children and teenagers.
- Please fully charge the device upon the first usage.
- Please wear the device next to your skin, as clothes may cause inaccurate data.
- While using the device, avoid sharp pieces from cutting the neck loop.
- Please avoid unauthorized modification or maintenance. Please contact the After-sale Service Department for maintenance.

**Cleaning of the device**

1. This device is not waterproof; if there is dust or stain on the device, please use clean and dry cloth or wrung wet cloth to wipe it.
2. While cleaning, please make sure the power is OFF, and unplug the power adapter.
3. Please do not use any detergent or cleaner. If there is stubborn stain, you can wipe it with disinfectants that contain alcohol or other volatile substances. Wait for the volatile substances to completely volatilize in a cool, shade environment, and then assemble the device.

**Cleaning of the neck loop**

1. The neck loop can be rinsed separately in water. After washing it, please dry it in a cool, shade environment before installing the equipment.
2. Please do not wipe with disinfectant containing volatile substances such as alcohol to avoid corrosion of accessories.
Product parameters

- **Product name**: Smart Posture Corrector
- **Product model**: P1
- **Product size**:
  - (Adult) 137×167×32mm
  - (Kids) 120×132×32mm
- **Product weight**: battery and neck loop included
  - (Adult) 60g
  - (Kids) 51g
- **Power supply**: internal power supply
  - Rated input: 5V = 1A
- **Communication means**:
  - Low power consumption Bluetooth 4.1 and newer
- **CMIIT ID**: 2020DP11849
- **Operating environment**:
  - Temperature: -10℃~+55℃
  - Relative humidity: ≤80%R.H. non-condensing state
  - Atmospheric pressure: (70.0~106.0)kPa.
- **Operating time**: 90h
- **Charging time**: around 1.5h

Warranty Instructions

We warrant the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. We do not warrant against normal wear and tear, nor damage caused by accident or abuse (such as damage caused by improper use, improper storage or unauthorized dismantlement). To obtain service, please visit an Authorized Service Provider—available service options depend on country in which service is requested and may be restricted to the original country of sale. International shipping charges may apply depending on location.

If you submit a valid claim under this warranty, we will either repair, replace, or refund your hardware product at our own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

Storage

1. **Storage requirements**:
   - Temperature: -10℃~+55℃
   - Relative humidity: ≤80%RH. non-condensing state
   - Atmospheric pressure: (70.0~106.0)kPa.
2. After cleaning, please completely dry the device, and store it in a suitable environment.
3. If your device remains idle for a long time, please recharge it at regular intervals to maintain battery life.
4. Please prevent the device from falling and damaging it.
5. Please avoid direct sunlight, and store this product in a cool and non-corrosive gas-free environment, away from heating devices and open fires.
