Design

First up in the range is the Combo Life Electric Design, which is packed with plenty of practical features as standard. Choose from 5- or 7-seats.

Ultimate

Combo Life Electric Ultimate completes the range, with a little more exterior style and extra comfort features.

Combo Life Electric Design

<No intersecting link>

Design

OTR from £32,180

Infotainment:

- Multimedia Pro infotainment system
 - IVI MID: Radio AM/FM/DAB
 - 10" HD Touch screen with Mirror Screen (WiFi)
 - 4G connectivity + voice control + E-call + A-call
 - Two speakers & two tweeters
 - Apple CarPlay™/Android Auto™
- Vauxhall Connect

Interior convenience/styling:

- Full roof finish with overhead storage
- 10" digital cluster
- Six-way driver's seat with lumbar adjustment
- Panels for regenerative braking;
 - Light, Medium, Strong
- Four-way passenger seat with storage on back of seat
- Fabric carpet floor trim (Row 1, 2, 3)
- Air conditioning
- Polyurethane steering wheel
- Steering wheel mounted audio controls
- 1/3 – 2/3 rear folding second-row bench seats
- Chrome-effect interior door handles
- Luggage compartment cover
- Chrome-effect instrument rings
- Electronic parking brake
- 12 volt socket in dashboard
- Central rearview mirror - black painted cover
- 4 tie bracket points on lower trunk area

Exterior convenience/styling:

- Two sliding doors with tinted opening window, two tinted non-opening windows in row 3
- Body-colour front and rear bumpers

- Black side-protection mouldings
- Offside opening window, 2 windows row 3
- Tailgate with opening heated rear window and wiper
- Body-colour door handles and side-access door rail covers
- Front fog lights
- 16" Steel wheels with full size hubcap
- Toolbox
- Roof bar predisposition
- Electrically adjustable heated door mirrors
- Rain-sensitive windscreen wipers
- High beam assist
- Electrically operated front windows
- Daytime running lights
- Matrix LED headlights

Safety/security:

- Rear parking distance sensors
- Advanced emergency braking system
- Electronic stability control and ABS with hill start assist
- Forward collision alert
- Lane keep assist
- Automatic lighting control
- Cruise control with speed limiter
- Intelligent speed assistance speed limit information
- Six airbags
- Driver attention alert
- Tyre pressure monitoring system

Design XL 7-seat

OTR from
£33,080

7-seat models additionally feature:

- Two individual tiltable and removable third-row seats
- Sliding facility for third-row seats

Combo Life Electric Ultimate

<No intersecting link>

Ultimate

OTR from £34,695

Infotainment:

- Multimedia NAVI infotainment system
 - IVI MID: Radio AM/FM/DAB
 - 10” HD Touch screen with Mirror Screen (WiFi)
 - 4G connectivity + voice control + E-call + A-call
 - Four speakers & two tweeters
 - Apple CarPlay™/Android Auto™
 - 1 x USB Type C (Data & charge), 1 x USB Type C (Charge Only)
- Vauxhall Connect

Interior convenience/styling:

- 10” digital cluster
- Six-way driver’s seat with lumbar adjustment
- 4 tie bracket points on lower trunk area
- Electronic dual-zone climate control
- Full roof finish with overhead storage
- Steering wheel mounted audio controls
- 33/33/33 split-folding second-row seats with fold-flat facility
- Chrome-effect interior door handles
- 12 volt socket in dashboard and row 2
- Luggage compartment cover
- Chrome-effect instrument rings
- Heated leather steering wheel
- Panels for regenerative braking; Light, Medium, Strong
- Central rearview mirror - black painted cover
- Front-seat back pockets
- Fabric carpet floor trim (row 1, 2, 3)
- Two foldable tables with cupholders
- Electronic parking brake

Exterior convenience/styling:

- Nearside and offside sliding side-access door with opening windows
- Dark tinted rear tailgate with opening heated rear window and wiper
- Body-colour front and rear bumpers with skidplate
- Painted shiny black side protection mouldings
- Body-colour door handles and side-access door rail covers
- Black painted door mirrors
- Front fog lights
- 16-inch alloy wheels
- Toolbox
- Roof rails
- Electrically adjustable/foldable/heated door mirrors
- Rain-sensitive windscreen wipers
- High beam assist
- Electrically operated front and rear windows
- Dark-tinted rear windows
- Panoramic rear-view camera
- Matrix LED headlights

Safety/security:

- Rear parking distance sensors
- Advanced emergency braking system
- Electronic stability control and ABS with hill start assist
- Forward collision alert
- Lane keep assist
- Automatic lighting control
- Cruise control with speed limiter
- Intelligent speed assistance speed limit information
- Six airbags
- Driver attention alert
- Tyre pressure monitoring system
- Digital Visiopark 180

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months’ Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer’s policy and as such must be discussed with the supplying Retailer.

Combo Life Prices

Only available for conversion to a wheelchair accessible vehicle

IMPORTANT NOTE RE: CONVERSIONS
Any vehicle ordered for a conversion that changes the base vehicle type approval must be aligned to a Stellantis Certified Converter within Converttool by entering the associated vehicle order number. Please note that if the vehicle order number is not inputted into Converttool then the order/s will be cancelled. It is also important that you discuss your conversion project with the converter before ordering the base vehicle.
<https://converttool.stellantis.com/>

Combo Life’s diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Safety

Standard Features – The following features are standard across the entire Combo Life Electric range.

Airbags

- Driver’s airbag
- Front passenger’s airbag
- Two front seat side-impact airbags
- Full-size curtain airbags

Seating

- Three height adjustable rear seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts
- ‘Seatbelt unfastened’ audible warning and warning light

Braking

- Automatic emergency braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – to reduce speed even further the driver must brake themselves

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger’s front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

Automatic emergency braking.

ISOFIX child seat mountings.

Lane keeping assist (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire Combo Life Electric range. Specific features by model are outlined in the separate tabular information.

- Cruise control with speed limiter**
With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.
- Steering**
 - Speed sensitive electrically assisted power steering
 - Reach and rake adjustable steering column
- Front camera system**
A range of class-leading driver assistance and safety features are controlled by the front camera system
- Forward collision alert**
The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly

- Speed sign recognition**
Detects and then displays speed limits, reducing uncertainty and the risk of speeding.
 - Recognises different speed signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster
- Driver attention alert**
The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness
- Lane keeping assist**
If the driver has not actively steered or signalled, the system performs corrective steering actions to help prevent the vehicle crossing painted boundary lines or road side edges.

- Wipers**
 - Intermittent rear window wash/wipe
 - Magic Wash System – Mounted in the front windscreen wipers, Combo Life Electric models benefit from our innovative windscreen wash system, designed to more effectively distribute water and reduce wastage. Using nozzles located above the wiper blades, fluid is distributed as the wiper sweeps the windscreen. This avoids the ‘temporary blindness’ of more conventional bonnet mounted systems between fluid release and wiper sweeping, improving visibility

Model Specific Features/Option

	Option code	Design	Ultimate
Driver Assistance			
Digital Visiopark 180	QK13	£150	●
Rear parking distance sensors		●	●

Rain-sensitive windscreen wipers		●	●
Drive Assist Pack - Highway Integrated Assist (HIA) - Lane Positioning Assist (LPA)	- Adaptive Cruise Control with Stop & Go (ACC) - Extended Panels Recognition (e-TSR) AEBS3		£1,100

Driver Information and Security

Standard Features – The following features are standard across the entire Combo Life Electric range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer
- Digital battery charge level and remaining range
- Digital power indicator

Driver information display (centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Tyre pressure monitoring system

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range
- Average speed
- Driving time

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- ‘Key left in ignition’ audible warning
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors and tailgate[†]
- Deadlocking
- Central locking activation switch on driver’s door

Model Specific Features/Option

	Option code*	Design	Ultimate
Driver Information			
10” Multimedia Pro		●	●
10” Digital Cluster		●	●
Security			
Remote control ultrasonic security alarm system	DAB13	£200	£200

*Optional at extra cost including VAT.
[†]Also operates fuel filler flap on Diesel models

Convenience

Standard Features – The following features are standard across the entire Combo Life Electric range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver’s sun visor incorporating vanity mirror with cover
- Dipping rear-view mirror
- Steering wheel mounted audio controls
- Front and rear USB connection

Interior Storage

- Two facia-mounted drinks holders
- Two drinks holders in centre console
- Large open storage pocket behind infotainment screen
- Interior courtesy light
- Front map reading lights
- Luggage compartment lighting
- Small open storage compartment behind gear knob
- Two front large and small door pockets
- Two rear door pockets
- Open storage compartment below glovebox
- Full-width overhead storage shelf with ambient lighting

Luggage Area

- Luggage compartment cover
- Illuminated load area
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts

Interior Lighting

- Central front courtesy light
- Central rear courtesy light
- Fade up/fade down

Model Specific Features

	Option code	Design	Ultimate
Interior Convenience			
Fold-flat front passenger seat with armrest		●	●
Electronic parking brake*		●	●
Two foldable tables with cupholders		●	●
Front-seat back pockets		●	●

* Diesel vehicles have manually operated parking brake

Convenience

Standard Features – The following features are standard across the entire Combo Life Electric range. Specific features by model are outlined in the separate tabular information.

Heating and Ventilation

- Air recirculation facility
- Cabin particulate filter – Removes dust, airborne particles and pollen
- Four-speed fan
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents
- Rear heating duct

Exterior Convenience

Door mirrors

- Twin electrically adjustable/heated door mirrors

Windows

- Solar heat-absorbing windscreen
- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
- Tailgate with heated window and wash/wipe facility

Model Specific Features

	Option code	Design	Ultimate
Heating and Ventilation			
Air conditioning		●	
Dual-zone electronic climate control			●

Rear tailgate with heating system and wiper		●	
Dark tinted rear tailgate window with heating system and wiper			●
Roof rails*			●

*Please note, roof rail design may differ from that illustrated within this guide. Please consult your Retailer for details.

Exterior Style and Lighting

Standard Features – The following features are standard across the entire Combo Life Electric range. Specific features by model are outlined in the separate tabular information.

Exterior Styling

- Chrome-effect front grille bar
- Body-colour door handles
- Body-colour bumpers and sliding rail cover
- Shiny black painted door mirrors

Exterior Lighting

- Automatic lighting control
- Front fog lights
- LED side repeat indicators
- Lights-on audible warning – When driver’s door is opened an audible warning sounds to alert the lights have been left on
- Manual headlight beam levelling. Use to adapt headlight range to the vehicle load to prevent dazzling
- Rear fog light
- Reversing light
- Hazard warning lights

Infotainment

Standard Features

Multimedia Pro infotainment system Standard on Design

- Onboard features:**
- AM/FM stereo radio • DAB Digital radio
 - RDS with Traffic Programme • Four speakers
- Media connections:**
- Apple CarPlay™ • Android Auto™
 - Smartphone projection
 - 2x USB Type C Connections
- Mobile phone portal:**
- Bluetooth® connectivity
 - Vehicle microphone
 - Handsfree calls via steering wheel controls
 - Phone book access
- Additional features:**
- 10” colour touchscreen
 - Steering wheel mounted audio controls
 - Flexible roof-mounted aerial

Multimedia NAVI infotainment system Standard on Ultimate

- Onboard features:**
- AM/FM stereo radio • DAB Digital radio
 - RDS with Traffic Programme • Four speakers
- Media connections:**
- Apple CarPlay™ • Android Auto™
 - Smartphone projection
 - 2x USB Type C Connections
- Mobile phone portal:**
- Bluetooth® connectivity
 - Vehicle microphone
 - Handsfree calls via steering wheel controls
 - Phone book access
- Additional features:**
- 10” HD Touch screen with Mirror Screen (WiFi)
 - Steering wheel mounted audio controls
 - Flexible roof-mounted aerial

Vauxhall Connect

Safety

The more you know, the safer your journey – that’s why our smart tech and connected services keep you constantly updated on what’s going on inside and outside your vehicle.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)

e-Remote control (Electric only)**

Want seamless charging and added levels of comfort? Use e-Remote to schedule charging times, keep an eye on your range and even pre-set your vehicle’s cabin temperature before you get in.

Convenience

- E-remote control
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature (additional subscription)

Live navigation plus†

With real-time directions and traffic information from the leading European GPS provider, TomTom®, every journey will be a breeze.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for points of interest
- Road safety alerts

Maintenance

Connected services are here for you – even when things go wrong. Our Intelligent Telemaintenance service monitors the key functions of your vehicle – and notifies you as soon as something needs attention.

- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall Connect* is the smart way to stay connected while on the road. Innovative technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip.

Explore MyVauxhall

Ready to make life easier? Meet MyVauxhall – your one-stop shop for everything Vauxhall. Plan journeys from the comfort of your armchair. View your next scheduled service, book a vehicle repair, access your handbook and much more!

Also if you drive an electric vehicle or plug-in hybrid, you’ll love our e-Remote Control app feature. Use it to pre-condition your cabin temperature before journeys – and maximise your charge. Or pre-schedule charging times at night, and benefit from cheaper electricity.

Phone_MyVauxhall_mockup_Van.psd

For more information visit vauxhall.co.uk/discover/myvauxhall.html

*Standard on Electric models only. Subject to subscription – after you have taken delivery of your vehicle, to subscribe [click here](#)
**via MyVauxhall App. †Standard on models with Satellite Navigation only. Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

Interior Styling and Comfort

Steering wheel:

- Two-spoke polyurethane foam design

Seat trim:

- Mistral Grey with tiles fabric seat trim inserts

Instruments:

- 10-inch colour instrument display
- 10-inch digital cluster
- Chrome-effect instrument rings

Front seating:

- Driver's seat (six-way adjustable):

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication.

Combo Life Electric Specifications

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park • Reverse • Neutral • Drive
- Braking (for increased regenerative braking)

Drive mode selector

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Charging

Combo Life Electric comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option. For more details please consult your local Retailer.

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App or by using the infotainment system.

Vauxhall have partnered with Octopus Energy to provide everything you need for your Combo Electric, including a new tariff, charger and a solution for charging on the go making owning an electric vehicle easier and hassle-free.

Service interval	Every 25,000 miles or 2 years (whichever comes sooner). Initial inspection at 12,500 miles or 1 year (whichever comes sooner)	
Battery		
Battery capacity	50kWh	
AC on-board charger speed (standard)	7.4kW	
WLTP Range (Combined)	213 miles	
WLTP Range (City)	304 miles	
Energy consumption (Combined low/high)	24.1 – 24.4kWh/100km	
Battery warranty	8 years/100,000 miles/70% capacity	
Charging (Supply)	Socket	Charge Time (0 – 100%)
AC current – Domestic 3 pin socket (1.8kW)	Type 2	22h 30m
AC current – Home wallbox or public charger (7kW)	Type 2	6h 43m
AC current – Public charger (11kW)**	Type 2	4h 50m
DC current – Rapid charger (100kW)	CCS	30m (0 – 80%)

The Combo Life Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

**Requires optional 11kW on board charger.

Combo Life Specifications

Transmission

Six-speed manual gearbox
1.5 (100PS) Turbo D models

Eight-speed automatic transmission

1.5 (130PS) Turbo D models

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive. By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

Fuel tank capacity

– 50 Litres (10.9 gallons) – Diesel models

AdBlue® Tank Capacity

– 17 Litres (3.7 gallons)

Steering

Turning circle (kerb-to-kerb)

- 11.0m (36 ft) Life models
- 11.8m (38.7 ft) Life XL models

Weights and Towing Data ^{kg}

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
5-seat		
1.5 (100PS) Turbo D	2120	1300 (750)
1.5 (130PS) Turbo D automatic	2100	1300 (750)
XL 7-seat		
1.5 (100PS) Turbo D	2310	1100 (750)
1.5 (130PS) Turbo D automatic	2300	1100 (750)

<No intersecting link>

Please note: **Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Combo Life Electric Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	5-seat	XL 7-seat
Maximum load floor length – passenger seat folded	2700 (106.3)	3050 (120.1)
Maximum load length – behind front seats	1880 (74.0)	2230 (87.8)
Maximum load length – behind second-row seats	1000 (39.4)	1350 (53.1)
Maximum load length – behind third-row seats	n/a	418 (16.5) – 566 (22.3)
Maximum load height	1200 (47.2)	1200 (47.2)
Maximum load width between wheel arches	1195 (47.0)	1195 (47.0)
Maximum width at Row 3	1149 (45.2)	1163 (45.8)
Loading height	580 - 586 (22.8-23.0)	591 - 596 (23.3-23.5)
Maximum rear opening width	1241 (48.9)	1241 (48.9)
Maximum rear opening height	1125 (44.3)	1125 (44.3)
Maximum rear opening height	1892 (74.5)	1892 (74.5)
Maximum side-access width	737 (29.0)	737 (29.0)
Maximum side-access height	1154 (45.4)	1154 (45.4)
Luggage Capacities* – Litres (cu.ft.)		
Behind front-row seats to glassline	1414 (49.9)	1672 (59.0)
Behind front-row seats to roof	4414 (155.9)	5172 (182.6)
Behind second-row seats to glassline	775 (27.4)	1050 (37.1)
Behind second-row seats to roof	2130 (75.2)	2950 (104.2)
Behind third-row seats	n/a	209-322 (7.4-11.4)

*Measured using the ECIE method.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car’s list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO ₂	
On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2023 – 24 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,571 – £14,876 Starter Rate 19%
- Over £14,877 – £26,561 Basic Rate 20%
- Over £26,562 – £43,662 Intermediate Rate 21%
- Over £43,662 – £75,000 Higher Rate 41%
- Over £75,001 - £125,140 Advanced Rate 45%
- Above £125,140 Top Rate 48%

To calculate your own personal liability, click the link [Vauxhall BiK Tool](#)

CO ₂ (g/km)	Electric range (miles)	% 2024 – 25 tax year
0	–	2%
1 – 50	130+	2%
1 – 50	70 – 129	5%
1 – 50	40 – 69	8%
1 – 50	30 – 39	12%

145 – 149	–	34%
150 – 154	–	35%
155 – 159	–	36%
160+	–	37%

Vehicle Excise Duty†

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table below.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to a different rate. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £410 is payable for five years after registration.

VED Band	CO ₂ (g/km)	First year rate Petrol/ Diesel	First year rate Hybrid/ Electric
A	0	£0	£0
B	1 – 50	£10	£0
C	51 – 75	£30	£20
D	76 – 90	£135	£125
E	91 – 100	£175	£165
F	101 – 110	£195	£185
G	111 – 130	£220	£210
H	131 – 150	£270	£260
I	151 – 170	£680	£670
J	171 – 190	£1,095	£1,085
K	191 – 225	£1,650	£1,640
L	226 – 255	£2,340	£2,330
M	Over 255	£2,745	£2,735

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Government Vehicle Excise Duty and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation

- Vauxhall Assistance for 12 months from first registration
 - Six years' body panel anti-perforation warranty
- Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended** to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free[†] phone call away, 24 hours a day, 365 days a year!

Leasys UK

Leasys is the proud Business Contract Hire partner of Vauxhall and consequently, can provide quick vehicle delivery to keep your business mobile.
