PARENTS:
For more tips and assembly instructions,
visit www.hotwheels.com/colossalcrash

- Unscrew the battery cover with a Phillips head screwdriver (not included).
- Install 6 new D (LR20) alkaline batteries (not included) in the battery box.
- Replace the battery cover and tighten screws.
- Replace batteries if the booster can no longer propel vehicles through the track set.
- Dispose of batteries safely.
- For longer life, use alkaline batteries.
- When exposed to an electrostatic source, the product may malfunction. To resume normal operation, remove and reinstall the batteries.
- The toy is not to be connected to more than the recommended number of power supplies.

BUILD 3 DIFFERENT ZONES OF YOUR TRACK SET BEFORE THE FINAL ASSEMBLY.
