

FAQ

Charge 4 Bluetooth

Charge 4: Charging Information

The Charge 4 features a built-in rechargeable Li-ion 7500mAH battery that supports up to 20 hours of playtime. Battery charge time is 4 hours.

Charge 4: Pairing Information

Turn the Charge 4 on by pressing the power button. If your Charge 4 hasn't been connected via Bluetooth before, it will immediately go into pairing mode. To put it in pairing mode, hold down the Bluetooth button for at least 3 seconds, until the light flashes blue. You are now in pairing mode. Locate the Charge 4 on your device, select and you should connect successfully within a few seconds in which you will hear the audible chime.

How do I reset the Charge 4?

In order to reset the Charge 4, with the unit on, press “Volume+” and “Bluetooth” at the same time for 3-4 seconds until you hear the audible chime.
