Design Features

- Space-Saving Design - Indoor plug-in switch features a grounded outlet with a manual ON/OFF button and only occupies one outlet of a duplex receptacle.
- 2.4GHz Wi-Fi Compatible - Connects to 2.4GHz networks of single-, dual- and tri-band routers through effortless pairing options for use with the latest home Wi-Fi equipment.
- Voice Control - No hub required for voice commands through Amazon Alexa and Google Assistant.
- Easy-to-Use App - Versatile Enbrighten app available in the Apple App Store and Google Play simplifies network connection for hassle-free mobile operation of lights, fans and more.
- Simple Setup - Schedules and automations support full customization based on times, presets, weather, location and other factors.
