

# PRODUCT INFORMATION

MANUFACTURER:	SCION / SUBARU / TOYOTA
YEAR:	2013+
MODEL:	FR-S / BRZ / GT86 / GR86
TRIM:	-
CHASSIS CODE:	ZN6 / ZN8 / ZD8 / ZN8
REMARK PART #:	RK-C4063T-04 : SPORTS TOURING CATBACK, STAINLESS STEEL TIP RK-C4063T-04T : SPORTS TOURING CATBACK, BURNT STAINLESS STEEL TIP

## PARTS LIST

No.	Description	Part Num.	Qty	Torque
1	2.5" Composite 2-Bolt Gasket	65C2-T05	1	
2	2.5" Composite 2-Bolt Gasket	65C2-01	1	
3	M10 Serrated Hex Head Bolt L=35mm	M10B35	6	~42 ft.-lbs.
4	M10 Serrated Nut	M10N	6	~42 ft.-lbs.
A	Stainless Steel Midpipe Section	N/A	1	
B	Passenger Side Muffler Canister with Y-Pipe	N/A	1	
C	Driver Side Muffler Canister	N/A	1	

## PARTS LAYOUT

## INSTALLATION

1. We recommend installation to be performed by a trained and/ or qualified technician.
2. Remove OE exhaust system: rear muffler and midpipe
3. Install REMARK exhaust components using the original rubber hangers unless otherwise noted
4. You can install this system as an assembled unit or section by section. If installing section by section, we recommend starting from the front and working rearwards
5. Install all gaskets and hardware. Leave the hardware hand tight.

For the midpipe to intermediate pipe connection:

A. if using OEM intermediate pipe, retain OEM gasket and re-use OEM hardware. Torque to OEM spec.

B. if using an aftermarket intermediate pipe with a flat 2-bolt flange, use gasket provided with the intermediate pipe

6. Align flanges, gasket, and snug all hardware so that sections cannot move.
7. Check positioning of the exhaust piping, and tips(s). Reposition if needed by loosening hardware, adjust position and retighten hardware.

NOTE: When installing on a 2013-2021 model, the fitment of tips to bumper openings is quite tight. Make sure to position correctly before starting the car. See images at the bottoms of this guide.

8. When placement is confirmed, tighten all hardware to recommended torque spec.
9. Gently shake/ move the exhaust system to ensure there is proper clearance around the entire system, especially the tip to bumper.
10. Thoroughly wipe down the exhaust system from any grease, dirt, handprints, fingerprints, etc... as these may cause a permanent stain once the exhaust reaches operating temp. NOTE: If optioned with the Burnt finish tips, make sure to only clean with car wash soap and water. Some cleaners may affect the Burnt finish.
11. Start the engine
12. Check for any leaks, fitment issues, rubbing, etc..
13. After ~100 miles of driving, re-check for exhaust leaks, fitment issues, and re-torque all hardware.

2022 +

2013 - 2021

## WARRANTY POLICY

- 1-year limited manufacturer defect warranty from date of purchase
- All warranty claims are subject to inspection by REMARK at our facility
- Limited Warranty only applies to the original purchaser of the product
- REMARK is not responsible for fitment issues on non-US spec vehicles as all products are developed on US spec models
- Product finishes are not covered under warranty and considered wear & tear
- No warranty whatsoever will be valid if the defect was caused by abuse, negligence and/or mishandling. That includes weather conditions, natural disasters, any road/off-road conditions, and any accidents/collision you were part of.
- Acidic cleaning products or steel wool are not to be used unless by a trained professional. Some chemical cleaning products may damage the product and/or finishes.
- Wear and tear (the damage that happens to our product in ordinary use) is not covered by our limited warranty.
- Improper installation or misuse of the product may lead to failure and damage to both product and vehicle. The user assumes all responsibility.
- All products are intended for use off-public streets and highways. Vehicle manufacturer warranty may be voided should any modification(s) or removal(s) of OEM(factory) components are determined.
- Federal and state law may prohibit the removal, modification or rendering of any device affecting vehicle emissions or state regulated decibel limits. It is the customer's responsibility to be aware of federal, state and local laws.
- User assumes all cost and risks associated with purchase and installation of aftermarket components. REMARK is not responsible for any fees, fines, or any type of penalties you have received from any authority.
- Buyers are responsible for all return shipping fees unless otherwise noted
- REMARK does not cover any installation, un-installation, labor fees, or related
