

Singer Fashion Mate Sewing Machine

SINGER3333

Easy to thread and even easier to see!	You can easily monitor your thread supply so you don't run out of thread in the middle of a seam.
StayBright™ LED lights	The long-lasting LED lights provide great illumination to your sewing area and stay cool to the touch.
Heavy duty metal frame	The machine has a heavy duty metal frame which provides long lasting durability.
Darning plate	Place the darning plate into position over the feed dogs and this will allow you to do free-motion sewing.
Reverse operation	Sew stitches in reverse easily with the reverse lever.
Variable stitch length	Customise the appearance of your selected stitch by increasing or decreasing the distance between stitches. Use this function for techniques such as applique, basting and more.
Snap-on presser feet	Easily remove and attach when needed.
Free Arm	Slide off the removable storage compartment for access to the free arm feature. It makes it super easy to sew trouser hems, sleeve cuffs and other smaller or tubular projects.
Easy Stitch Selection Dial	Built-in stitches are clearly displayed on the stitch selector dial. Simply turn the dial to select your desired stitch.
