## No pen or paper needed

Tired of scribbling down messages and reminders on bits of paper? Then its time to discover the VN-240. With its compact, lightweight and attractive design, this digital notetaker slips comfortably into your pocket. It lets you record your notes and ideas with ease. Retrieval takes just seconds thanks to the well-laid out menu and four folders. Recordings stored in the schedule folder are arranged according to the day they were created for a clear overview. You can even programme this notetaker to remind you of important dates or appointments.
