

# DISK 15W SELECTABLE LED DOWNLIGHT

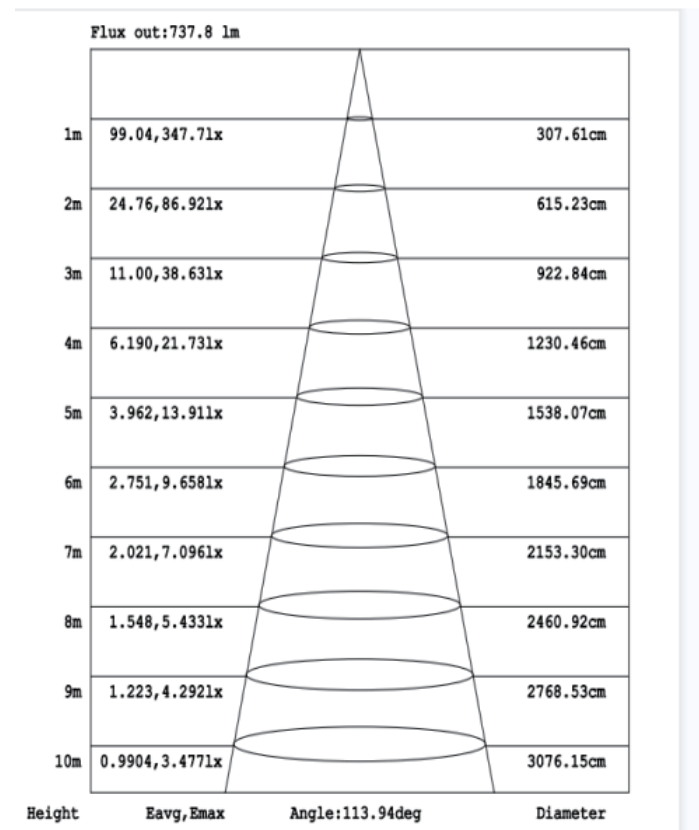

Direct wire this IC rated Disk 5/6" LED Downlight to your junction box and install into your ceiling without a can. Provides instant on, bright light (1050 lm) with a sleek, modern look and a high CRI of 80+ and a 114° beam angle for a wide flood light. Suitable for narrow ceiling space. Features a 15W power consumption.

## MODELS

DL\_DK56-15W-3K\_65K

## Illuminance Cone Diagram

NOTE: The Curves indicate the illuminated area and the average illumination when the luminaire is at different distance.

## CERTIFICATIONS

## SPECIFICATIONS

Voltage	120V
Wattage	15W
Power Factor	0.7

## LIGHTING PERFORMANCE

Lumens	1050 lm
Color Rendering Index	80+
Dimmable	Yes
Efficiency	70 lm/w
Beam Angle	114°
Selectable CCT	3000K, 4000K, 5000K, 6000K, 6500K

## ENVIRONMENT

Operating Temperature	-4° F - 104° F
Moisture Rating	Damp

## CONSTRUCTION

Fixture Material	Housing: FE, Cover: PC
Lens Material	Plastic

## LIFETIME

Average Lifetime	50,000 Hrs
