2014 NV[®] CARGO NV200[®] COMPACT CARGO

NV[®] CARGO AND NV200[®] COMPACT CARGO

Shouldn't you drive something you love? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make this better, smarter, and more productive. So when you get down to business in your new Nissan Commercial Vehicle, you'll feel how hard-working the answers can be:

There's even more to discover about NCV. Introducing the all-new iPad[®] NCV Showroom App. Featuring in-depth product presentations, videos, full specifications, and more. Now available. Be sure to download it today.

Build and price your own upfit package. Design a space that makes sense for your day-to-day business. Just go to www.nissancommercialvehicles.com, and you can browse partitions, shelving units, and accessories and start building from the floor up.

Visualize your logo on an NV[®] Cargo or an NV200[®] Compact Cargo. Ready to put your advertising strategy on wheels? Go to www.nissancommercialvehicles.com, and see how great your new vehicle looks with your logo.

NISSAN Commercial Vehicles

WOULDN'T IT BE COOL IF_

YOUR COMMERCIAL VEHICLE WAS A PERFECT FIT FOR YOUR BUSINESS?

Whether you run a single van or manage an entire fleet, it's important to have the right vehicle for the job. And with the 2014 NV[®] Cargo High Roof, NV[®] Cargo Standard Roof, and NV200[®] Compact Cargo, you've got a great range to choose from. These are the kinds of vehicles you need to do business today: smarter, tougher, and more comfortable, with state-of-the-art technology and safety. And did we say rugged? NV[®] Cargo and NV[®] Passenger are put through the wringer during development, logging over 7,000 quality and durability tests as well as over 800,000 miles of reliability testing on a track that simulates the world's toughest roads.¹ Try one – or all of them – on for size. NV[®] Cargo and NV200[®] Compact Cargo.

¹Mileage and testing numbers do not represent NV200[®] Compact Cargo quality and durability testing program.

OVER **800000¹** MILES AND 7,000 QUALITY AND DURABILITY TESTS¹

Fanatical? Maybe. But when it comes to making the toughest commercial vehicles you can buy, we go the extra distance for you. And it's no Sunday drive, either. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 144 degrees and humidity to 95% to break down seals and fry up interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Vehicle the best you've ever owned? Every day, you depend on your vehicle to do your job. That's the motivation for us to do ours.

Scan this with your QR code-reader app to see how far we go to create a vehicle you can trust. Or go to bit.ly/cargodqr

¹Mileage and testing numbers do not represent NV200* Compact Cargo quality and durability testing program.

The Nissan Arizona Testing Center. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vehicles you can buy.

NV® CARGO HIGH ROOF

THE STANDOUT THAT LETS YOU STAND TALL.

Cargo-carrying flexibility and interior room are the reasons you buy a van. The NV® Cargo High Roof maximizes your opportunities with a huge 323 cubic feet of cargo capacity, stand-up room for someone 6'3" tall, and floor space that can carry up to two 40" x 48" pallets.¹

Every NV® Cargo model also pays big dividends when loading, with low step-in heights all around, a large sliding side door, and forklift-friendly rear doors that swing 243° wide and stay open thanks to powerful magnets. Once you're inside you'll appreciate big items like an upfit-friendly design that lets you customize your NV® Cargo to your needs, and smart touches like available rear cargo door storage.

¹Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

NISSAN UPFIT ENGINEERING
INNOVATION THAT YOU
CAN BUILD ON.

With Nissan Upfit Engineering, NV® Cargo has been designed to let you create a commercial vehicle that works especially hard for the unique needs of your business. Unlike most vans, the NV® Cargo starts with a unique flat-wall interior design. This maximizes all-important floor space, plus opens up room at the top of the cargo-containment system. Add in integrated reinforced cargo-mounting points that ensure upfitting is easy and durable, and impressive interior space and you'll find the U.S.-built NV® Cargo is an ideal canvas for upfitters – and your own ingenuity.¹

323 CU. FT.
Cargo Capacity¹

234 CU. FT.
Cargo Capacity¹

Up to ten roof mounting points help keep racks securely fastened.

Three available cargo lights make it easy to find what you need.

Six floor-mounted D-ring tie-downs rated to 1,124 lbs.

Available rear door storage compartment.

Available 120-volt outlet is easily accessible when you're outside.

Magnets hold the cargo doors securely in their fully open position.

Scan this with your QR code-reader app to see a complete walk-around of the NV® Cargo. Or go to bit.ly/nvcargotour

Up to ten integrated roof-mounting points

57 Integrated reinforced cargo-mounting points

Long enough to carry 10' pipe under center console

54" between wheel wells allows 4' x 8' plywood sheets to fit

Room for two 40" x 48" pallets

243° opening rear doors

Stand-up room for someone 6'3"

¹Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution.

NV® CARGO STANDARD ROOF. A BIG WORK AREA EVEN IN THE TIGHTEST SPACES.

With NV® Cargo Standard Roof, you've got easy access to the work site, with a truck-like design that improves visibility and maneuverability, and a roof height that fits easily into an eight-foot-tall garage. Once you're there, you've got rear doors that open up to 243° and stay open thanks to magnetic door stops. You've also got an easy-sliding side door that opens nearly 3.5 feet wide. And with step-in heights under 20 inches front and rear, you've got easy access to 234 cubic feet of cargo space.¹ Easy to get there. Easy to get what you need. That's a standard every commercial vehicle should be held to.

NV® CARGO

A MOBILE OFFICE THAT KNOWS HOW TO GET WORK DONE.

Your van is your office. And with long days on the road, you need a workspace that's as comfortable as it is smart. And unlike many competitors, NV® Cargo's truck-like design places the engine out front, giving plenty of leg room and foot space for driver and passenger. When you're ready to get down to business, you have class-exclusives like an available multitasking center console and a standard fold-down front passenger seat to create a convenient work desk.¹ And with wear- and spill-resistant seats, while you're working hard today, you'll be looking good for years to come.

¹Ward's Light Vehicle Market Segmentation. 2014 NV® Cargo vs. 2014 Large Van Class. ²Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. ³Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁴Required SiriusXM® Satellite Radio, NavTraffic® and NavWeather® subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic® available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius® XM® and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁵Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁶The Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you.

High Roof models feature durable overhead storage compartments to keep things within easy reach when you need them.²

NV® Cargo's available center console is a major multitasker, with room for a laptop computer and hanging files. The console also features a cover that slides, creating a convenient work desk.

Vinyl wear patches on lower and upper bolsters.

Under-seat driver's storage.

Available 12-V and 120-V power outlets in center console.

Available navigation with NavTraffic.^{®3, 4}

Available RearView Monitor.⁵

Available Rear Sonar senses objects up to six feet away.⁶

POWER TO CHOOSE

NV® Cargo gives you two powerful choices to suit your needs. The 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency. Step up to the 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction for smooth response and less wear and tear. Backed up by a rugged 5-speed automatic transmission, NV® Cargo is built for the long haul – and just about anything you need to bring along.

V6

261 horsepower / 281 lb-ft of torque
NV® Cargo: up to 7,000-lb. towing capacity¹

V8

317 horsepower / 385 lb-ft of torque
NV® Cargo: up to 9,500-lb. towing capacity²

¹Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for proper use. ²Standard on V8 models. See Nissan Towing Guide and Owner's Manual for proper use. ³Air bags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. All children 12 and under should be properly secured in child restraints, booster seats, or seat belts, according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for details. ⁴Ward's Light Vehicle Market Segmentation. 2014 NV® Cargo vs. 2014 Large Van Class. ⁵VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

ENGINEERED TO PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defense, helping to absorb impact and protect everyone on board.

Six Air Bags³

- (2) Dual-stage supplemental front air bags³
- (2) Available seat-mounted driver and passenger side-impact supplemental air bags³
- (2) Available roof-mounted curtain side-impact air bags with rollover sensor for front outboard occupant head protection³

EQUIPPED TO RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, the largest brakes in its class⁴ and these standard technologies help you respond in a potentially harmful situation.

- Vehicle Dynamic Control⁵
- Traction Control System (TCS)
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist

NV200® COMPACT CARGO. READY FOR BIG JOBS AND SMALL PARKING SPACES.

Introducing the Nissan NV200® Compact Cargo, the right-size commercial vehicle for your business. It's got over 122 cubic feet of cargo space that's easily accessed by wide-opening 40/60 rear doors and a sliding door on each side. You can even fit a 40" x 48" pallet.¹ The cabin offers impressive comfort and security, with loads of thoughtful features that make it a convenient mobile office. It's the perfect size for getting around even the most crowded cities and fitting into tight parking spots and low garages, while its best-in-class 24 MPG city^{2,3} and advanced CVT transmission help deliver a low cost of ownership. Nissan NV200® Compact Cargo.

NISSAN UPFIT ENGINEERING
INNOVATION THAT YOU
CAN BUILD ON.

122 CU. FT.
Cargo Capacity¹

With Nissan Upfit Engineering, NV200® Compact Cargo has been designed to let you create a commercial vehicle that is small on the outside, but creates lots of room on the inside. From flat wheel wells to a fold-down passenger seat, every available inch is ready to work – it can easily carry a 40" x 48" pallet. And with integrated reinforced cargo-mounting points and integrated roof-mounting points, the NV200® Compact Cargo is an upfitter-friendly base to build your business on.¹

Scan this with your QR code-reader app to see a complete walk-around video of NV200. Or go to bit.ly/nv200tour

Dual sliding side doors provide easy access in tight situations.

Fold-down passenger seat helps make room for long items.

Six available floor-mounted D-ring tie-downs rated to 1,124 lbs.

Flat wheel wells.

40/60 180° opening rear doors.

¹Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution. Heavy loading of the van with cargo, especially on the roof, will affect handling and stability of the vehicle.

SAVES DOLLARS. TURNS ON A DIME.

With NV200® Compact Cargo's 2.0-L 4-cylinder and efficient Xtronic CVT® transmission, you get a smooth and powerful drive while keeping a watchful eye on the bottom line, with a best-in-class city rating of 24 MPG^{1, 2}. Add in responsive handling and excellent outward visibility, and NV200® Compact Cargo is as good at maneuvering in crowded urban environments as it is at avoiding big fuel bills.

36.7' TURNING DIAMETER

NV200's incredibly tight turning diameter helps you negotiate narrow streets and tight parking structures while letting you place the vehicle as close as possible to your drop-off locations.

BUILT FOR THE DAY-TO-DAY AND THE LONG HAUL.

Wear-resistant patches

Flexible center console

Fold-down passenger seat

Deep cup holders

Recessed dashboard tray

Under-seat sliding drawer

ADVANCED TECHNOLOGY FOR INCREASED PRODUCTIVITY.

Thoughtful design of NV200® Compact Cargo's cabin makes it a better space for drivers and a smarter place to work. The driver sits high, with excellent outside visibility. And when it's time to get down to business, the NV200® Compact Cargo converts easily into your mobile office. The fold-down passenger seat creates a work desk, while smart storage and power outlets are all within easy reach. To help you work efficiently on the road, the available Technology Package features a convenient RearView Monitor,¹ NissanConnect™ with Navigation,^{2,3} and a suite of high-tech features easily accessed through a 5.8" touch-screen.⁴

NAVIGATION³

- Real-time traffic updates help keep you clear of traffic jams⁴
- 3-D perspective
- Points of interest, including ATMs, restaurants and gas stations²

GOOGLE® SEND-TO-CAR^{2,3}

- Send an address to your NV200® Compact Cargo from any computer^{2,3}
- When you start the vehicle the directions will be delivered and loaded into the navigation system³

REARVIEW MONITOR¹

- Helps negotiate tight parking situations
- Helps driver place vehicle close to unloading points

TEXT-TO-SPEECH

- Receive and respond to text messages without ever touching your phone⁵
- Driver can hear text messages read to them and answer with pre-loaded responses, all via voice recognition⁶

¹Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ²Driving is serious business. Only use NissanConnect™ services when safe to do so. CUSTOMER COMMITMENT

Your vehicle is more than just basic transportation, it's what makes your business run efficiently. At Nissan Commercial Vehicles, we understand our part in making your business run cost-effectively. That's why we've partnered with our commercial certified parts and service dealers to ensure we are there for you when you need us. As part of our parts and service commitment to you, you will experience the following at every certified Nissan Commercial Vehicles Dealer:

Roadside Assistance and Trip Interruption. Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout support, towing services, emergency fuel delivery, tire changes and dead-battery jump-start service. Our Trip Interruption benefits offer assistance if your vehicle becomes disabled more than 100 miles from your company's location.³

Service and maintenance plans. Developed specifically for Nissan Commercial Vehicles and backed by Nissan, a wide variety of service plans are available to you, including high-mileage options. Your authorized Nissan Commercial Vehicles dealer has all the details, and will be glad to help you find the plan that best fits your business needs.

We've got you covered. Every Nissan is backed by a 36-month/36,000-mile (whichever occurs first) limited vehicle coverage and a 5-year/60,000-mile (whichever occurs first) limited powertrain coverage. (See your Nissan Commercial Vehicles dealer or reference the Nissan Owner's Manual for details). For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.
