User Guide

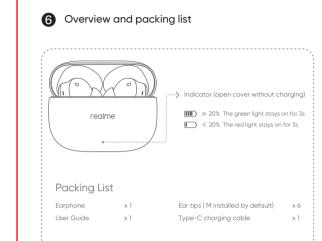

Dare to Leap.

Basic Parameters

Product name	realme Buds T300	
Product model	RMA2302	
Bluetooth version	Bluetooth 5.3	
Bluetooth protocol	HFP/A2DP/AVRCP	
Bluetooth code	SBC , AAC	
Charging interface	Type-C	
music battery life (normal mode)	About 10h (earbuds) About 40h (use with charging case)	
Machine charging time	About 2h	
Bluetooth communication distance	≤10m	
Working frequency	2402~2480 MHz	
Max power rate	< 15dBm	

⚠ Warning

- 1. Don't place the product into a liquid environment or avoid the product exposed to high
- 2. Avoid extrusion to avert the damage to the product.
- keep it dry if stored for a long time. 4. Avoid touching the strong magnet to prevent the magnetic headset from being
- demagnetized.
- 5. Avoid the dusty, wet and dirty environment where the electronic circuit of the equipment may be damaged if being used.
- 6. Don't use the equipment at the moment of thunderstorm because the thunderstorm may incur equipment fault or shock hazard. 7. Don't use the equipment when riding a motorcycle or a bicycle, driving a car or crossing
- the road to ensure your safety.
- 8. Keep the equipment out of reach of children or pets to avert the damage. 9. Don't wash the equipment with chemical, cleanser or strong detergent.

∑ Don't listen to the voice under high sound pressure and high volume for a long time to prevent the possible hearing impairment when the headset is used.

control modes.

Matters Needing Attention:

- 1. When you buy the product, the sales unit will issue a valid proof of purchase.
- 2. The warranty card and the proof of purchase should be kept by the user properly, and it will not be replaced if lost.
- 3. If the product fails due to non-human factors, the user can present the warranty card and proof of purchase to the realme customer service center for free maintenance during the warranty period.

Non-warranty situation:

This warranty does not cover the following cases:

- 1. Out of warranty period.
- 2. Damage caused by use not in accordance with the instructions.
- 3. Damage caused by man-made causes.
- 4. Failure caused by unauthorized disassembly, maintenance, or modification of the product. 5. Damage caused by force majeure factors (such as floods, earthquakes, lightning, etc.).
- 6. There is no warranty card, invoice, or warranty card that does not match the invoice information.
- 7. The product wears naturally.
- 8. Other failures and damages that are not caused by the quality of the product itself. Website: www.realme.com

FCC statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that

please go to experience in

realme Link App.

interference will not occur in a particular installation. If this equipment does cause harmful interference to try to correct the interference by one or more of the following measures:

- --Reorient or relocate the receiving antenna.
- --Increase the separation between the equipment and receiver. --Consult the dealer or an experienced radio/TV technician for help.
- NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications or changes to this equipment. Such modifications or changes could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement, The device can be used in portable exposure condition without restriction. Federal Communication Commission (FCC) Radiation Exposure Statement Power is so low that no RF exposure calculation is needed. (FCC ID:2AUYFRMA2302-R/FCC ID:2AUYFRMA2302-L)

Warranty Card (Stub Copy)

Dear user, thank you for using the product of our company. Please read and keep properly the warranty card after purchasing the product so that we can provide better services to you.
