UP TO 2400 W

For all kinds of recipes

Thanks to its up to 2400¹ W of power, no food will be too big for it. Prepare a wide variety of recipes and get delicious results with the perfect doneness.

ROCKSTONE COATING

The best coating

The RockStone coating ensures maximum non-stick properties and an easy cleaning. In addition, it is environmentally friendly, being free of PTFE, PFOA and other toxins.

TOUCH DISPLAY

All in one display

Prepare your recipes to perfection with its LED display² with touch control and know at all times the selected temperature and cooking time so that nothing slips through the net.

180° OPENING

Make the most of it

Don't you have enough with one grill plate? Cook on both grill plates at the same time thanks to its 180° opening system³ and make the most out of its cooking surface.

TEMPERATURE

Absolute control

With its temperature probe¹ you will get the perfect doneness for every dish. In addition, its plates are heated separately, from 50 to 230 °C, so that you can cook several foods independently.

TIMER

You control time

Programme² the cooking of your dishes, control second by second the cooking with its timer and make each recipe to your liking.

¹Only available on Rock'nGrill Bistro model.

²Available on Rock'nGrill Blaze, Rock'nGrill Blaze Neon, Rock'nGrill Dual, Rock'nGrill Smart and Rock'nGrill Bistro models.

SMOKELESS³

Smoke-free healthy cooking

Experience perfect cooking of your food without having to deal with the annoyance of smoke, and prepare healthy recipes full of flavour.

³Only available on Rock'nGrill Bistro model.

REVERSIBLE PLATES

Grill or griddle, the choice is yours

Add possibilities for your kitchen thanks to its reversible plates¹. By just pressing a button you can remove and turn them over, and choose if you wish to use it as a grill or griddle.

DETACHABLE PLATES

Straight into the dishwasher

Its griddle plates are easily removable², which makes it very easy to clean. Put them in the dishwasher and that's it! Perfect and effortless results.

²Available on Rock'nGrill 1500Take&Clean Stone, Rock'nGrill Multi 2400 UltraRapid, Rock'nGrill Pro, Rock'nGrill Blaze, Rock'nGrill Blaze Neon, Rock'nGrill Dual, Rock'nGrill Smart and Rock'nGrill Bistro models.
