Quick Start Guide

Octane-WM65

0 Channel Sound Bar

I. Important - Warnings and Safety

1. Do not place the speaker near heat sources such as fire, radiators, stoves and other apparatus that produce heat.
2. Use only accessories supplied by FINGERS.
3. Unplug the power cord of the speaker when unused for long periods or during lightning/thunderstorms.
4. Do place the speakers on a stable surface and keep them out of reach from children.
5. To avoid any shock hazards, we recommend not removing the cover, dismantle the unit or even insert any object in the unit.
6. It is recommended to refer all servicing to qualified personnel only. Servicing is required when the speaker has been damaged in any way. Any evidence of any attempt to open and/or alter the device, including any scratch, peeling, puncturing, or removal of any of the labels, will void the Limited Warranty.
