The Apple One-Year Limited Warranty is a voluntary manufacturer's warranty. It provides rights separate to rights provided by consumer law, including but not limited to those relating to non-conforming goods. As such, the Apple One-Year Limited Warranty benefits are in addition to, and not instead of, rights provided by consumer law and it does not exclude, limit or suspend a buyer's rights arising from consumer law. Your Apple-branded or Beats-branded hardware product ("Product") is warranted against defects in materials and workmanship for a period of ONE (1) YEAR from the date of original retail purchase ("Warranty Period") when used in accordance with Apple's user manuals (refer to www.apple.com/support/country). Under this warranty, you will be able to direct your claims to Apple even in situations where you purchased the Apple Product from a third party. If a defect arises during the Warranty Period, Apple, at its option will (1) repair the Product at no charge using new parts or previously used Apple genuine parts that have been tested and passed Apple functional requirements, (2) exchange the Product with a replacement product of the same model (or with your consent a product that has the same or substantially similar features as the original product – e.g., a different model with the same features, or the same model in a different color) that is new or comprised of new and/or previously used Apple genuine parts and has been tested and passed Apple functional requirements), or (3) refund the original purchase price. This warranty excludes normal depletion of consumable parts such as batteries unless failure has occurred due to a defect in materials or workmanship and, damage resulting from abuse, accident, modifications, unauthorized repairs or other causes that are not defects in materials and workmanship.

Apple does not warrant, represent or undertake that it will be able to repair or replace any Product under this warranty without risk to and / or loss of information and / or data stored on the Product. In no event shall Apple be liable for

Apple will provide warranty service through one or more of the following options:

(i) **Carry-in service.** You may return your Product to an Apple Retail or Apple Authorized Service Provider ("AASP") location offering carry-in service.

(ii) **Mail-in service.** If Apple determines that your Product is eligible for mail-in service, Apple will send you prepaid waybills and applicable packaging material, so that you may ship your Product to an Apple Repair Service ("ARS") or AASP location. Apple will pay for shipping to and from your location if instructions regarding the method of packaging and shipping the Product are followed.

(iii) **Do-it-yourself (DIY) parts service.** DIY parts service allows you to service your own Product. If DIY parts service is available in the circumstances, the following process will apply.

If you are unable to provide credit card authorization, DIY parts service may not be available to you and

Apple will offer alternative arrangements for service. Apple will ship a replacement Product or part to you with installation instructions, if applicable, and any requirements for the return of the replaced Product or part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the Product or part and shipping to and from your location. If you fail to return the replaced Product or part as instructed or return a replaced Product or part that is ineligible for service, Apple will charge your credit card for the authorized amount.

(b) Service where Apple does not require return of the replaced Product or part. Apple will ship you free of charge a replacement Product or part accompanied by instructions on installation, if applicable, and any requirements for the disposal of the replaced Product or part.

Apple may use Apple Products or replacement parts for service that are sourced from a country that is different from the country from which the Apple Product or original parts were sourced.

If any term is held to be illegal or unenforceable, it shall be severed from this warranty and the legality or enforceability of the remaining terms shall not be affected.
