[1] Depending on many factors such as the processing capability of peripheral devices, file attributes, and other factors related to system configuration and operating environments, the actual transfer rate using the various USB connectors on this device will vary and is typically slower than the data rates as defined by the respective USB specifications: 5 Gbit/s for USB 3.2 Gen 1; 10 Gbit/s for USB 3.2 Gen 2 & 20 Gbit/s for USB 3.2 Gen2x2. | [2] All battery life claims are approximate and based on internal testing under optimal laboratory and network conditions. Actual battery performance will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. | [3] For more information on accessories, please contact your local sales representative. | [4] For more information related to Lenovo Android Tablet Commercial Solutions: https://www.youtube.com/playlist?list=PLs18hw3X0NC67Rcf9T2yoVW5P37j53TrD | [5] License/activation fees may be applicable. | [6] Google Mobile Services (GMS) contents are allowed; manufacturer related monetization and push contents are limited. | [7] Actual in-box items/charger availability may vary by market.
