

## Product Overview

Thank you for choosing this product.

This product is a high-capacity portable charger that uses Li-polymer battery and chip for a safe, efficient, and compatible user experience.

**Note:** The power check button is not a power button. The power bank detects charging and discharging automatically. The power indicator goes off 2 minutes after fully discharged.

**Safety:** The power bank has multiple safeguard technologies to provide over-charge, over-discharge, high temperature, and short circuit protection in all working conditions.

**Efficient:** Supports fast charging and discharging at 5V / 2.4A

**Compatibility:** The product has a built-in USB charging controller, compatible with most smartphones, tablets, and devices, and can boost up to 2.4A

## Product Overview

Capacity: 20000 mAh  
Type-C Input: 5V / 2A  
Micro USB Input: 5V / 2A  
Dual USB Output: 5V / 2.4A, 12W (Max)  
Size: 13.6 x 6.6 x 2.7 cm  
Weight: 405 g  
Storage Temperature: 0 ~ 45 °C  
Battery Type: Li-Polymer

## Charging

Connect with a compatible power adapter to charge the power bank. The indicator shows charging conditions as follows:

| Blinking | LED 1 | LED 2  | LED 3  | LED 4   |
|----------|-------|--------|--------|---------|
| Power    | 0-25% | 25-50% | 50-75% | 75-100% |

## Discharging

Connect your device with the power bank to charge it. The indicator shows discharging conditions as follows:

| LED Light | LED 1 | LED 2  | LED 3  | LED 4   |
|-----------|-------|--------|--------|---------|
| Power     | 0-25% | 25-50% | 50-75% | 75-100% |

## Precaution

- Make sure your power bank is fully charged on its first use.
- When charging a device with the power bank, make sure your device displays the battery charging icon and the power bank is working properly.
- Disconnect the power bank to avoid further discharge once your device is fully charged.
- Do not open the casing to avoid cell damage or other dangers.
- Do not dismantle, crush, puncture and short circuit the power bank, or expose it to liquids, fire or environments where temperature is above 60°C (140°F).
- To protect the environment, please dispose off the used product according to the local environmental regulations. Please do not discard with household waste.
