

HYUNDAI HY-H08

true wireless Earphones

Manual

Please read all instructions carefully
and retain for future use

Usage Instruction

- (1) Don't attempt to disassemble the unit and change any part, except there is operation method mentioned in the manual.
- (2) Don't expose the unit to liquid, moisture or humidity, since it is not a waterproof product.
- (3) Disconnect the unit with your BT device and move it to the safe area if the liquid gets inside the unit.
- (4) Don't assemble or disassemble the unit to avoid electric shock, if there is water on your hands.
- (5) Don't expose the unit to extremely high temperature or dispose of the unit in fire as it will result in an explosion.
- (6) Don't place the unit in an electromagnetic interference environment to avoid malfunction.

Packing list

	Headphone × 1		Type-C × 1
	User manual × 1		

Product schematic description

Product specification

Bluetooth version: V5.4
Transmission distance: 10M
Battery capacity: 200mAh
Duration of use: approximately 4 hours (headphones)
Charging time: approximately 1.5 hours (headphones)
Rated input: 5V ---250mA
(All technical information is subject to actual performance)

Name and content of hazardous substances in products

Name and content of hazardous substances in products

Part Name	Harmful materials					
	Pb	Hg	Cd	Cr(VI)	PBB	PBDE
Printed circuit assembly	○	○	○	○	○	○
Small structural parts such as shell	○	○	○	○	○	○

This form is compiled in accordance with SJ/T 11364.

○: Indicates that the content of the hazardous substance in all homogeneous materials of the part is in Below the limit requirements specified in GB/T 26572.

×: Indicates that the content of the hazardous substance in at least one of the homogeneous materials of the part exceeds The limit requirements specified in GB/T 26572.
The parts marked with "×" on the form are all harmful due to the limitations of global technological development. Substitution of substances.

Printed circuit board components*: including printed circuit boards and their parts, electronic components, etc., Depending on the product model, the product you purchased may not contain all the above components

 Electronic and electrical products sold in the People's Republic of China must mark this Logo, the number in the logo represents the product under normal use Environmental protection use period.

Warranty Service

Dear user, this warranty card is the proof of your future warranty application, please cooperate with the seller to fill it out and keep it for future use!
