Bluetooth® speaker

その音をあるがままに。 Since 1946.

Pure Sound. Since 1946.

Onkyo's dedication to audio purity goes compact and wireless. Fitting comfortably into your backpack or purse, the T3 Bluetooth® speaker is perfect for indoor and outdoor use, and its leather cover makes it easy to carry around. Combining advanced audio technology with Bluetooth® connectivity, the portable speaker also includes a power bank function so you can keep your mobile devices charged wherever you go.

Feature highlights

2 x 1.5" (38mm) drivers and passive radiator deliver best-in-class sound

Power bank charges mobile devices via USB connection

8-hour rechargeable battery life lets you play music anywhere

Pure precision

The Onkyo sound signature is clean, clear and precise. The T3 Bluetooth® speaker provides advanced audio performance in a sleek, compact design. Delivering 2x4W RMS total output power, the dual sound unit and passive radiator ensure that your music stays vibrant with crisp definition. Engineered for precision and performance.

Power that lasts

The T3 Bluetooth® speaker includes a built-in rechargeable battery that provides up to 8 hours of audio playback, whenever and wherever you listen to your music. In addition, the speaker hosts a USB port that can charge any of your mobile devices.

Portable performance

Bluetooth® streaming technology enables you to enjoy your music uncluttered by wires. A built-in microphone allows you to make and receive calls hands-free, while multi-pairing functionality makes it easy to swap music instantly between two devices. Sophisticated sound with simple, intuitive controls.
