The acupressure mat & pillow feature small plastic spikes that stimulate targeted areas of the body, including acupressure points, providing deep relaxation and rejuvenation.

Since your weight is evenly distributed on the mat, the spikes do not puncture the skin. If you experience pain immediately discontinue use. This is a holistic way of promoting energy.

2. Relax and lie down on the mat and place the pillow under your neck. Try to evenly position your back across the mat. Always feel free to shift or move your body as needed to find a comfortable position that best suits you.
3. Initially, the acupressure spikes may not seem super comfortable. However, simply relax, breathe, and give your body time to adjust.
4. Lay on your mat for 20–30 minutes in order to obtain ultimate results. You may want play meditation music.
5. After 30 minutes, arise from the mat feeling calm, rejuvenated, and relaxed.
