MH510 Headphones

The Sessions™ MH510 is the result of a decade-long collaboration of experience and professional audio expertise. Conceptualized and designed for the accomplished performer – Studio, Live or Playback – get ready to experience your favorite tracks the way the artist intended. The Sessions™ MH510 headphones produce an articulate frequency response with extended lows, smooth mids & life-like highs. Sound Pressure Level capability rivaling a concert experience. World class isolation ensures a private listening experience virtually eliminating bleed into the playback environment. Quality construction stands up to the most demanding performer while not sacrificing comfort. A power handling capability begging for more. Outfitted with two cables (coiled and straight), two sets of earpads to satisfy your changing demands.

Four colors to choose from. Black, Black/Chrome, Black/Orange and White/Red for the look & style your session deserves.

Please use your Sessions headphones responsibly. High volumes even for short periods of time can result in hearing loss. Noise Induced Hearing Loss (NIHL) can result from long or repetitive exposure to sound even at moderate levels. Please review additional information concerning hearing health at www.asha.org and www.drf.org.

Keep out of reach of small children. The Sessions headphones are a professional audio playback device. They should not be considered a toy and should not be used by small children.

Two-Year Limited Warranty

CAD Audio hereby warrants that this product will be free of defects in material and workmanship for a period of two years from the date of purchase. In the unlikely event that a defect occurs CAD Audio will, at its option, either repair or replace with a new unit of equal or greater value. Retain proof of purchase to validate the purchase date and return it with any warranty claim.

This warranty excludes exterior finish or appearance, damage from abuse, misuse of the product, use contrary to CAD Audio's instructions or unauthorized repair. All implied warranties, merchantability, or fitness for a particular purpose is hereby disclaimed and CAD Audio hereby disclaims liability for incidental, special or consequential damages resulting from the use or unavailability of this product.

This warranty gives you specific legal rights and you may have other rights that vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above exclusions and limitations may not apply to you.
