Button Functions

Button	Symbol	Color Temperature	Function
Power	⏻		Turn the lamp power on and off.
Read Mode	📖	4500k - 5200k	Stimulates concentration and reduces eye strain with mid-range color temperature.
Study Mode	✏	5400k - 6100k	Increases attention and concentration with high-range color temperature.
Relax Mode	❀	3400k - 4100k	Increases relaxation and improves mood with low-range color temperature.
Sleep Mode	☾	2700k - 3400k	Stimulates a deep sleep with the comfort of soft light.
Timer	◷		Automatically shuts off light after 1 hour of operation in any brightness mode.
Increase Brightness	+		Increase light brightness.
Decrease Brightness	—		Decrease light brightness.

⚒ Set-Up

Plug the included power cable into the lamp's DC power input, then plug the adapter into a powered outlet.
⚒ Operation

1. Press the ' ⏻ ' button to turn on the lamp.
2. To change the color mode, press the desired mode according to its symbol.
3. Press the '+' button repeatedly to increase the lamp's brightness. There are up to 5 available levels of brightness.
4. Press the '-' button repeatedly to decrease the lamp's brightness. There are up to 5 available levels of brightness.

NOTE: Each mode's default brightness level is Level 3. The lamp will remember the last mode and brightness level when turned on and off; however, this memory function will not work if the power source is interrupted.

5. Press the ' 🕐 ' button to set a 60 minute auto-off timer for the lamp's light.

NOTE: The ' ⏻ ' button will begin flashing to indicate that the timer has been set.

Charging Devices

To charge a device, plug the device to a USB cable and plug the cable into the desk lamp's USB charging port. The device will begin to automatically charge.

NOTE: To charge a device, you must have a compatible USB charging cable. The USB output is DC 5V./1.5A. If the charging current is greater than 1.5A (i.e. iPad, tablets, etc.), then the charging speed will be affected.The lamp's light does not need to remain on in order to charge a device.
Cleaning & Maintenance

Cleaning

Unplug any connected device and disconnect the lamp. Use a slightly damp soft cloth to clean the surface of the lamp. Wipe dry with a soft cloth.

Disassembly

For easy storage, unscrew the plastic cap located on the bottom of the desk lamp, rotating counter clockwise. Remove the cap to detach the lamp neck from the lamp base.

Warranty Information

Terms & Policy

Etekcity warrants all products to be of the highest quality in material, craftsmanship and service for a minimum of 1 year, effective from the date of purchase. Warranty lengths may vary between product categories. For specific warranty terms, please refer to your product listing page or product operation manual.

Under the limited warranty, Etekcity will replace or refund any product found to be defective due to manufacturer flaws based on eligibility. This warranty extends only to personal use and does not extend to any product that has been used for commercial use, rental use, or any other use in which the product is not intended for. There are no warranties other than that expressly set forth with each product.

This warranty is non-transferrable. Etekcity is not responsible in any way for any damages, losses or inconveniences caused by equipment failure or by user negligence, abuse, or use noncompliant with the user manual or any additional safety, use, or warnings included in the product packaging and manual.

Etekcity and its subsidiaries assume no liability for damage caused by the use of the product other than for its intended use or as instructed above and within the user manual. Some states do not allow this exclusion or limitation of incidental or consequential losses so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTY OF MERCHANTABILITY, ARE LIMITED TO THE PERIOD OF THE LIMITED WARRANTY.

Should your product prove defective within the specified warranty period, please return the defective unit in its original packaging with (1) an original copy of invoice, (2) your warranty ID number, (3) and your order number.

Exceptions & Exclusions

- Damage due to abuse, accident, alteration, misuse, tampering or vandalism.
- Improper or inadequate maintenance.
- Damage in return transit.
- Unsupervised use by children under 18 years of age.

To receive a valid warranty ID number, sign into your Etekcity customer account at www.etekcity.com. At the top of the warranty page, type in your order number located in your order invoice to retrieve your warranty ID number. Your warranty ID number will then be sent to your email for your records. If deemed defective, your product will be replaced or refunded at no charge to you, based on eligibility.
