More Information about Smart watch use in Wet Conditions

The smart watch is water-resistant, which means it is rain-proof and splash-proof and can stand up to even the sweatiest workout.
Note: Do not swim with the smart watch. It is not recommended to shower with the Smart watch, though it does not damage the band. Remove the watch periodically to allow your skin to dry and breathe. Whenever you get your strap wet, dry it thoroughly before putting it back on.

Using the function button and the touch screen
Press and hold the function button for 3 seconds to turn the device on, press the function button to wake the device up.

Quick View

When the screen is turned off, turn your wrist towards you and the screen will automatically light up. The watch screen automatically turns off after being idle for a few seconds.
Tap the main dial and slide left, you can find state, heartrate, sleep and physical exercise function quickly.

Warning!

- › Lithium battery inside!
- › Do not open the product!

Please note: All products are subject to change without any notice. We take reservations for errors and omissions in the manual.

The anko Bluetooth® Smart Watch is not a medical-grade device. It is a fitness tracker and a general wellness device used to log, track or trend exercise activity. It does not make any medical claim and is not a suitable replacement of medical device. Please consult your doctor for diagnostic purposes and to track a serious medical condition.

12 month warranty

Thank you for your purchase from Kmart.

Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with the accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre on 1800 124 125 (Australia) or 0800 945 995 (New Zealand) or alternatively, via Customer Help at kmart.com.au for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

WARNING Do not dispose of unit in fire or water. › Never attempt to disassemble and reassemble. › Waste electrical products should not be disposed of with household waste, please recycle where facilities exist. › Check with your local authority for recycle advice. › Keep your device and all accessories out of the reach of children and animals. › Small parts may cause choking or serious injury if swallowed. › Avoid exposing your device to very cold or very hot temperatures (below 0°C or above 45°C). › Extreme temperatures can cause deforming of the device and reduce the charging capacity and life of your device. › Do not allow your device to get wet—liquids can cause serious damage. › Do not handle your device with wet hands.
