

LT-4G/10

Item Number 9883994

Valve for 6 mm = 1/4" tube, 10 pieces

- Body manufactured from forged brass
- Valve spindle made from quality steel, hardened
- O-ring sealed
- Easy to install with allen-key 3 mm
- Valve spindle to be operated with same allen-key 3 mm
- Built-in valve spindle avoids a too deep piercing into the tube or a too big opening of the valve
- Connection 1/4" SAE, therefore fits all brands of charging lines
- No additional adapter or tool required
