Troubleshooting Guide

Use failure	The reason	Solution
Product cannot normal work	The product has just completed a 10-minute timer message and automatically switches to standby	Please press the power switch again to restart
	Too long use time causes the product to overheat and automatically cut off the power.	If the device has run for 60 mins., turn back on after resting the unit for 15 mins.
Product does not heat	When used outside the recommended ambient temperature range, the heating effect is not obvious	Recommended for use at an ambient temperature of 15-25 degrees Celsius
Product abnormal sound	This sound is caused by the mechanical structure of the product.	This sound is normal and does not mean that the product function is malfunctioning
Stop during operation	The battery is exhausted	Connect the charging cable to charge
	The device will switch off when the timer runs out.	Continue using by pressing the On/Off button.

Transport environment:

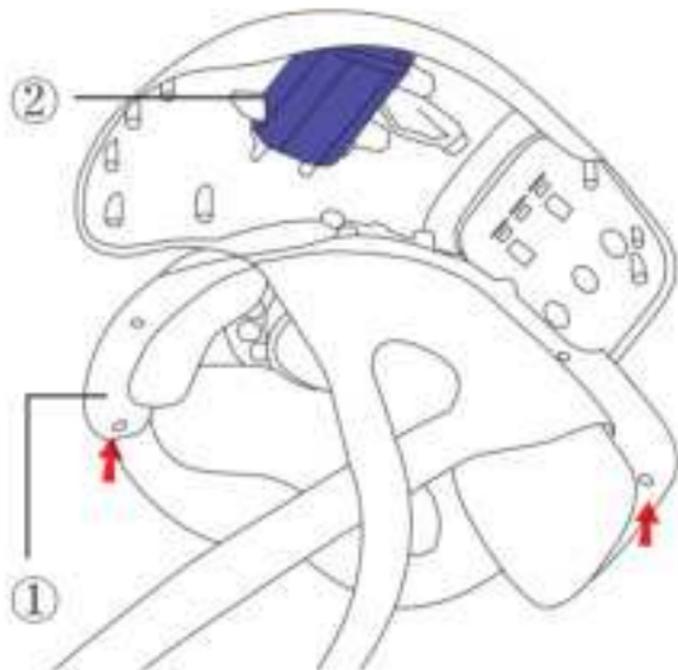

- Temperature: -20°C – +50°C
- Relative humidity: $\leq 90\%$
- Atmospheric pressure: 70kPa – 106kPa

Working environment:

- Temperature: +5°C – +40°C
- Relative humidity: $\leq 80\%$
- Atmospheric pressure: 86kPa – 106kPa

Warranty

If the product(s) is damaged or defective within a reasonable time, Snalax offers the warranty as below.

Period	Return for refund	Return for replacement	Who send shipping?
Within 30 Days	Yes	Yes if undamaged	Snalax
31 - 90 Days	Yes after being justified	Yes after being justified	Snalax
91 Days - 1 year	No	Yes after being justified	Buyer

Snalax warrants the product to be free from defects in workmanship and materials, under normal use, for a period of 12 months from the original invoice date, except as noted below. Snalax products can be repaired or replaced within warranty period or returned for refund within 90 days if the products break down in the period of proper use.

The warranty extends only to consumers, NOT to any retailers or resellers. This warranty is effective only if the product is purchased and operated in the country in which the product is purchased. Warranty claims for product defects, unless extended warranty is registered, expire 12 months from the purchase day. Warranty claims CANNOT be processed for items that have exceeded the warranty period. The warranty does NOT cover the replaced, refurbished product. The warranty does have other limitations as below "Warranty Limitations". To obtain warranty service on Snalax products, follow "Warranty Claim Procedures" below.

Warranty Claim Procedures:

1. Any product the customer believes is defective and seeks for warranty, the customer must provide to Customer Support:
 - a) Valid proof of purchase (see below the definition of valid proof of purchase);
 - b) Pictures and/or description are required to claim defective merchandise;
 - c) Model number and Series Number label attached to each product.
2. If the warranty claim is justified by Snalax Customer Support, customer(s) will obtain from Snalax a Warranty/Return Authorization Number (RMA Number).
3. Snalax reserves the right to specify that items be returned to the designated warehouse for inspection or be inspected by our representative in the field or be retained by customer.
4. Any claim for defective merchandise returns must be packed in original packaging.
5. The item(s) will be repaired or replaced or a refund credit will be issued once the item(s) are delivered. When returning items with RMA# and a prepaid shipping label provided by Snalax, Snalax takes responsibility for any damage or loss incurred in transit.

Warranty

Warranty Limitations (this warranty does not include):

Normal wear and tear; Any condition resulting from other than ordinary residential wear or any use for which the product was not intended, such as use in rental or contract trade or commercial use; Any condition resulting from incorrect or inadequate maintenance or care; Damage resulting from misuse, abuse, negligence, accidents or shipping damage, exposure to environmental conditions (temperatures, water, improper operation, improper installation, improper use of electrical supply); transportation damage; theft, vandalism or; Damage resulting from the attachment or modification of any unauthorized accessories; Fail to show the valid proof of purchase; Lost or stolen products; Items that have expired their warranty period; No quality-related issues (after 30 days of purchase); Free product/ Gift offer by Snailax; unauthorized repairs or modification; Replaced or refurbished product; Dissatisfaction due to buyer's remorse (after 30 days of purchase).
