## Compliance

### United States of America

Model No: ERCUI-US

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio

communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

Do not make any changes or modifications to the equipment.

Canada

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

United States of America

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy. If not installed and used in accordance with the instructions, it may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antennae
- Increase the distance between the equipment and the receiver.
- Connect the equipment to outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio technician for help.
- Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference; and
2. This device must accept any interference received, including interference that may cause undesired operation.

Model No	FCC-ID
ERCU1-US	QAM026

This device meets the FCC radiation exposure requirements set forth for an uncontrolled environment. The requirements set a SAR limit of 1g 1.6W/kg averaged over one gram of tissue.

Canada

Canada – Industry Canada (IC)

Model No: ERCU1-US

This device complies with RSS 210 of Industry Canada. Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of this device.

Modèle no: ERCU1-US

Cet appareil est conforme aux CNR exemptes de licence d'Industrie Canada. Son fonctionnement est soumis aux deux conditions suivantes :

1. Ce dispositif ne peut causer d'interférences; et
2. Ce dispositif doit accepter toute interférence, y compris les interférences qui peuvent causer un mauvais fonctionnement de l'appareil.

Model No	IC
ERCU1-US	5459A-026

This device meets the ISED radiation exposure requirements set forth for an uncontrolled environment. The requirements set a SAR limit of 1g 1.6W/kg averaged over one gram of tissue.  
Cet appareil répond aux exigences d'exposition aux rayonnements de la ISED définies pour un environnement non contrôlé. Les exigences fixent une limite de 1g 1.6W/kg en moyenne sur un gramme de tissu.

#### **WARNING**

Device contains lithium battery.

Mishandling of the battery may lead to risk of fire, burns or explosion.

#### **Caution**

Risk of fire and burns. Do not open, crush, heat above 40°C (104°F) or incinerate. Follow manufacturer's instructions.

Battery is non-replaceable, do not attempt to remove.

#### **Caution**

Never put batteries in mouth. If swallowed, contact your physician or local poison control center.

Battery is non replaceable do not:-

- attempt to remove or replace.
- replace a battery with an incorrect type that can defeat a safeguard (for example, in the case of some lithium battery types);
- dispose of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion;
- leave a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas; and
- allow a battery to be subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

#### **CAUTION**

Risk of fire or explosion if the battery is replaced by an incorrect type"
