

## Chipping Hammer

### CH18

#### SPECIFICATIONS

| ITEM                  | U.S.A.                        | METRIC                  |
|-----------------------|-------------------------------|-------------------------|
| Capacity              | 2 1/2 in Shank x 0.580 in Hex | 63 mm Shank x 15 mm Hex |
| Weight                | 24 lb                         | 11 kg                   |
| Length                | 20 in                         | 51 cm                   |
| Width                 | 3 in                          | 8cm                     |
| Pressure              | 1500-2000 psi                 | 105-140 bar             |
| Flow Range            | 7-9 gpm                       | 26-34 lpm               |
| Optimum Flow          | 8 gpm                         | 30 lpm                  |
| Porting               | 6 SAE O-Ring                  |                         |
| Hose Whips            | Yes                           |                         |
| Connect Size and Type | 3/8 in Male Pipe Hose End     |                         |

#### Features and Benefits

Stanley's **CH18** chipping hammer, with "D" handle, is a light but powerful alternative to the air powered tools. Both the handle and tool holder end are shock and heat insulated for operator comfort.

Designed to be small and compact for confined working conditions, the **CH18** accepts standard 0.580-inch round collar steels.

**Underwater models available.  
Refer to ordering information.**

## ACCESSORIES

| PART NO. | DESCRIPTION                             |
|----------|---|
| 02277    | Bushing Tool Bit 9-Tooth                |
| 02278    | Flat Chisel Bit 1 x 18 in/2.5 x 45.7 cm |
| 02279    | Bull Point 1 x 18 in/2.5 x 47.5 cm      |
| 03690    | Chisel Bit 1 x 9 in/2.5 x 22.9 cm       |
| 03963    | Scaling Chisel 2 x 9 in/5 x 22.9 cm     |

## WARRANTY

Stanley Hydraulic Tools and their associated parts are warranted against defects in materials and workmanship for a period of twelve months from the date of purchase. Stanley Hydraulic Tools reserves the right to repair or replace only those parts which prove to have been defective at the time of purchase. This warranty becomes void if maximum flow and pressure ratings are exceeded.
