printing effect.

Tips:
If you have just received documents (pdf. file) from Twitter, Facebook or Instagram, you can open and print it right away!
After receiving it in the dialogue box, tap the file to open it, and then "Open in Another App" to choose "Jadens Printer" APP.

More Feature

Beauty of nature

As I strolled through the dense forest, the morning sun peeked through the gaps between trees, leaving flickering traces on the ground. A cool, gentle breeze swept by, carrying with it the refreshing scent of pine and dew. Tiny white flowers bloomed sporadically on the verdant undergrowth, resembling airy...
