

ELEMNT ROAM

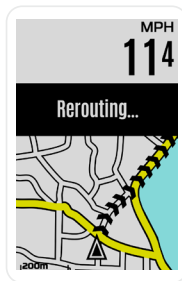

gps bike computer

BUILT FOR THE RIDE.

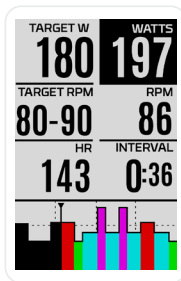

ELEMNT COMPANION APP

Use the simple interface of your smartphone via our free companion app to customize settings, configure workout pages and link sensors. Store your ride history and automatically sync workouts to your favorite training apps.

SMART NAVIGATION

Navigate to a saved location or point on the map directly on the ELEMNT ROAM. Find the most direct course and automatically get rerouted back on course.

COLOR SCREEN

Vibrant, crystal clear color 2.7" (68.6mm) Gorilla Glass display makes seeing your data and routes easier than ever.

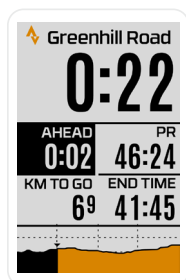

QUICKLOOK LEDs

Quicklook LEDs provide a clear way to quickly monitor your power, heart rate, speed, turn-by-turn directions and other notifications.

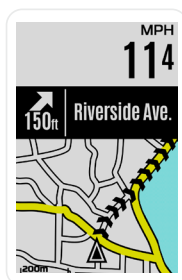

PERFECT VIEW ZOOM

Easy access side buttons allow you to zoom in and out of curated data fields with just one touch.

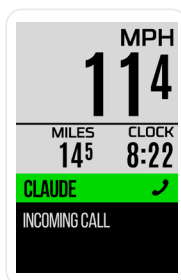

STRAVA LIVE SEGMENTS

Integrates with Strava Live Segments to alert you before the segment begins, display progress status for your goal and give a unique Final Push when you are close to hitting a PR or taking that KOM!

TURN-BY-TURN

Get on-screen directions and scrolling LED turn directions for routes or use the Take Me Anywhere feature to generate a cycling optimized route with turn-by-turn cues.

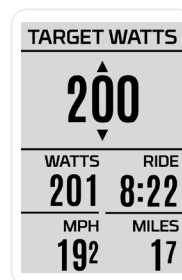

CALL & TEXT

Receive call, text and email notifications mid-ride (or turn them off in 'Do not disturb mode'.)

LIVE TRACKING

Locate friends or other ELEMNT users with real-time location on map screen or share your location with friends by text or email.

KICKR CONTROL

Pairs with KICKR Smart Trainers to allow you to train in four different modes: Route simulation, ERG, Level or Passive to just record your workout controlled by another app.
