Quick Start Guide

Installation

Put on a table

Paste on a table

Please select the outlet hole according to your need.

Fix on a table

Drill three holes on the desktop.

Wall installation

**NOTE**

- We recommend that the height of the wall installation is 1m~1.5m from the ground.
- Please select the outlet hole according to your need. If the conference room environment allows, you can also wire through the wall.

Connection**Assemble your MTouch Plus**

Connect your MTouch Plus

NOTE

- You can purchase additional PD power supply to power the PC.
- Not included accessories requirements:
 - » PC: Equipped with HDMI or USB-C (support DP protocol) Port.
 - » USB-C PD Power: A PD power adapter with a power transmission greater than 45W, equipped with a USB-C cable.
