INTRODUCTION

BRAND	VOLTAGE	MODEL	PRODUCT CODE
Fisher & Paykel	120VAC 60Hz	DW24U2I1 FP US CA	81871-A

MODELS

- The models covered by this manual are listed on the front cover.
- The information detailed in this manual is subject to change without notice. The latest version is indicated by the reprint date and replaces any earlier editions.

KIT PARTS

Where a part number is shown against the descriptions for these kit components, they are also available as separate items. In addition, some parts may be supplied with these kits that are not available as separate items, and are therefore either not listed, or a part number is not shown against the part description in this manual.

PARTS LIST KEY

NI	As a part reference, indicates the part is not illustrated on the diagram.
NOT USED	As a part number, indicates the diagram part reference is not used in this manual.
NS	As a part number, indicates the part is not servicable.

This exploded view diagram illustrates the assembly of a vehicle interior component, possibly a rearview mirror or a display unit. The parts are numbered 1 through 18:

- 1**: A small bracket or mounting piece.
- 2**: A long, thin rectangular plate or frame.
- 3**: A curved cable or hose.
- 4**: A central mounting bracket or frame.
- 5**: A small electronic component or sensor.
- 6**: A small electronic component or sensor.
- 7**: A small electronic component or sensor.
- 8**: A small electronic component or sensor.
- 9**: A long, thin rectangular plate or frame.
- 10**: A small electronic component or sensor.
- 11**: A rectangular frame or housing.
- 12**: A cable with multiple connectors.
- 13**: A small electronic component or sensor.
- 14**: A small electronic component or sensor.
- 15**: A long, thin rectangular plate or frame.
- 16**: A long, thin rectangular plate or frame.
- 17**: A small electronic component or sensor.
- 18**: A small electronic component or sensor.
